OVER 21 MILLION JARS USED YEARLY

The library board at its meeting last night decided to open the library one hour later each day, at two o'clock instead of one. That would allow the librarian one hour more for work of cataloguing, repairing and arranging of books in the shelves in the morning. The hours of the assistant will be reduced very materially.

ALL-BRAN RELIEVED HIS CONSTIPATION

Delicious Cereal Brought New Health to Mr. Bartholomew

We quote from his voluntary letter: "I had considerable trouble with my stomach. Digestion was out of the question. I got medicine which gave me only temporary relief.

"Then I thought of taking ALL-BRAN. I started eating a cereal dishful two or three times a day.

"It has been over a year now since I ate that first dish of bran, but from that day to this I have had the pleasure of enjoying the proper functioning of the digestive organs.

"Thanks to ALL-BRAN. I still eat it regularly and like it better all the time."—Lester Bartholomew. (Address furnished upon request.)

Constipation is usually due to lack of "bulk" to exercise the intestines, and vitamin B to promote elimination. ALL-BRAN supplies both, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. Certainly this food is more natural than taking harmful patent medicines. Two tablespoonfuls daily will overcome most types of constipation. With each meal in chronic cases. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.

At the meeting of the library board last night attention was drawn to the fact that there was always a contribution box on the librarian's desk and those using the library, while loaned the books free, could always resort to that donation box if they felt they could afford to do so. A few people were already doing it.
