If you are wise, you will heed that warning and will have a complete examination of your eyes made and thus probably prevent serious eyesight trouble later on.

unit at Woodworth Lake, the elevator shut down, the Cold Storage taking energy and the dry dock reverting to an emergency standby plant in 1928. Mr. Little estimates there would be a surplus of $23,000.

**RECOMMENDATIONS**

Taking all facts into consideration Mr. Little's recommendation is as follows:

Pay the net cost of operation of the dry dock plant and accept a contract for the supply of power to the dry dock if possible higher than a one-cent rate with annual consumption at this rate.

Proceed as early as possible with the installation of oil burning equipment on the two boilers at the dry dock.

Accept a Contract with the Canadian Fish & Cold Storage at 2c to ½c.

Have Mr. Bowness, representing the International Utilities, place a concrete proposal before the city.

If the proposal is unacceptable proceed immediately with the installation of a second unit at Shawatlans.

# PROTEST BECAUSE "O CANADA" OMITTED

The writer of a letter to the Ottawa Citizen makes a protest because Canada's National Anthem was omitted in a concert given by the Coldstream Guards. The letter says:

Editor, Citizen: As a loyal Canadian, I wish to call attention to the fact that the band of the British Coldstream Guards, at their concert given in the Auditorium the evening of September 15, failed to play "O Canada." While "O Canada" was on their program supposed to be played just previous to "God Save the King," the bandmaster substituted for "O Canada" "The British Grenadiers," followed by the National Anthem.—SARA H. RICHAN, Ottawa.

# ABOUT FORTY DIGGING GOLD

**NO SENSATIONAL RESULTS AT GOLD PAN SAY MINERS HERE**

## INFLUX NEXT YEAR

**Men Brought Gold South With Them on Way to Vancouver**

About forty men were engaged in sluicing and panning gold this season on Gold Pan Creek and, while some met with fairly good results, there was nothing sensational about it states Robert Nesbitt who, with Charles Beck, arrived in the city yesterday afternoon from the north where they spent the summer working with the outfit of the original discoverers, William Grady and Hugh Ford. They will spend a few days here before continuing south to Vancouver for the winter. Mr. Grady is still at Telegraph Creek and Mr. Ford has gone in beyond to spend the winter on his traplines. Mr. Nesbitt and Mr. Beck have a good deal of gold with them as also has Thomas Mateen who came out with them and who continued on to Vancouver yesterday afternoon. Mr. Nesbitt says that Vickery will be about the only man to remain for the winter at Gold Pan. He will be staying to put down some test holes.

On Palmer Creek, about forty miles northeast of Dease Lake, Hall and Cotter put in a boomer outfit this summer and worked it for a while but they started late in the season and did not get much done. They will continue operations next year. There were a few outfits working around Dease and Thibet Creek but they are just getting started and it will be next summer before there are any appreciable results. Another outfit has been working on the Clearwater which runs into the Stikine about twenty miles below Telegraph Creek.

While there is no reason for a boom or stampede, Mr. Nesbitt expects there will be a larger influx of mining men next year in the Stikine and Dease Lake region.

# POLITICAL RESULT ONLY AN ACCIDENT

(Edmonton Bulletin)

Hon. Robert Rogers has recovered speech, and remarks that the late misadventure of the party headed by the famous Board of Strategy was "only an accident."

Hon. Robert is ready, as ever, to play the game on a fifty-fifty basis; Providence to take the blame for the upsets and Hon. Robert to take the credit for the wins.

Dr. and Mrs. Charles Little of Theill, New York, who are visiting for a week in the city, will sail tonight on the Prince George to make the round trip to Anyox. On Saturday they will entrain here for the East accompanied by Dr. Little's brother, A. C. Little of this city.

Mrs. W. G. Hughes and family and Miss Hughes returned to the city on the Prince George this morning after having spent a holiday visit in England. On the way West, they spent a few days visiting in Winnipeg.

He—Did you say I was no gentleman?
She—No I merely remarked that you preferred brunettes.—Boston Transcript.
