THOMAS HEADS TERRACE FAIR

ANNUAL MEETING OF ASSOCIATION ELECTS OFFICIALS AND DOES OTHER BUSINESS

TERRACE, Nov. 6.—The annual meeting of the Terrace and District Fall Fair Association, which was postponed from October 22, was held on Thursday evening, November 4, in the G.W.V.A. Hall. A more representative gathering was present than on the former evening, and business was proceeded with. The financial statement was again read showing a slight deficit in the year's records.

Considerable discussion arose over the lack of a competent stock judge, the work of which was voluntarily undertaken by the poultry and rabbit judge. It was suggested that the government be asked to send a stock judge next year who was as well a veterinery surgeon who would be under instructions to make tests for tuberculosis, etc., at the same time. It was pointed out that it has been some years since the government has done anything along this line in this district, and it was generally felt that it was a matter of neglect on the part of the administration. The matter was left to be settled at a future meeting.

The election of an executive for the ensuing year then took place resulting as follows: C. H. Thomas, H. Swain, J. Swann and J. B. Agar and Mesdames Gilbert, Sundal and Dover. The prize money was paid out after the meeting.

The executive met immediately after the general meeting and appointed officers as follows:

President—C. H. Thomas.

Vice-president—H. Swain.

Secretary-Treasurer—Mrs. O. T. Sundal.

It was decided that a revision of the Fancy Work section and the school work should be undertaken at once to give those intending to exhibit in these sections plenty of time in which to prepare their work. When rivised, these lists will be posted in the office of J. B. Agar where they may be seen at any time.

ALL OF METLAKATLA ATTENDED FUNERAL OF MRS. PEARSON

Practically the entire population of the village of Metlakatla turned out yesterday afternoon for the funeral service of the late Mrs. Roger Pearson whose death occurred at the village this week. Deceased was one of the oldest and most esteemed residents of Metlakatla and there were many tokens of sympathy and regret. There was a full choir in attendance at the service which was conducted in St. Paul's Church by Archdeacon G. A. Rix assisted by Mr. Parsons of the Church Army from England who is visiting in Metlakatla for two weeks. Interment took place in the village burying grounds.

PRINCE GEORGE

There were 300 registrations here of householders and license holders for the civic voters' list. With a keen election contest in the offing between Mayor Taylor and Ald. Patterson, it is stated that Ald. Patterson's supporters were responsible for 135 names while there were 134 from the followers of Mayor Taylor, the balance having been applications filed personally at the city hall.

Great interest is being shown locally this year in curling and a large membership is in sight for the curling club which has elected officers as follows President, Mayor Taylor; vice-president, W. L. Hornsby; secretary-treasurer, P E. Wilson; chaplain, Rev. S. T. Galbraith.

The publicity that has been given Prince George developments recently has caused a considerable drift of unemployed men to the city. They are arriving at the rate of twenty per day and there is no work for them.

The National Pole Co., a large United States concern, has entered this district for the purpose of cedar poles. It will be represented by the Englemann Spruce Co.

The funeral of the late Clarence Henry ("Pop") Guile, one of the best known and most popular railroad men in this district, took place on Thursday afternoon under the auspices of Nechako Lodge, A.F. & A.M. Rev. S. T. Galbraith officiated and the pallbearers were F. Moffatt, A. Watt, C. Yost, F. Ball, M. McIvor and D. O. Watkins.

It is reported that shift is to be made among the road superintendents in the provincial government service. By the change, J. W. Miers will return to Prince George district from the Peace River, Delphin "Toney" Menard will go from Prince George to Vanderhoof and J. B. Armishaw will be moved from Vanderhoof to the Peace River.

The telephone line between Prince George and Quesnel is now in operation.

Richard H. Adams, who was engaged in farming in the vicinity of Fraser Lake, was taken this week by Constable George Crate to Essondale Hospital.

The Prince George Board of Trade is taking up with the idea of forming an Association of Boards of Trade along the line of the C.N.R. so that joint action may be taken on matters of mutual interest. An Association of this nature would take in Prince George, Vanderhoof, Burns Lake, Smithers, Prince Rupert, etc.

PRINCE RUPERT ON HER 700TH VOYAGE

Popular C.N.R. Steamer, Despite Many Hectic Experiences, is Still Going Strong

C.N.R. steamer Prince George, Capt D. Donald, which arrived from Vancouver at 12:30 today, is making her seven hundredth voyage in the coast service from Vancouver to Prince Rupert. This popular vessel came out from her builders in Newcastle in 1910 to enter coast service for the then G.T.P. Coast Steamship Co. and her first captain was Commander B. L. Johnson. The Rupert has had perhaps more than her share of hectic experiences but she is still going strong and looks good for at least another sixteen years of service.
