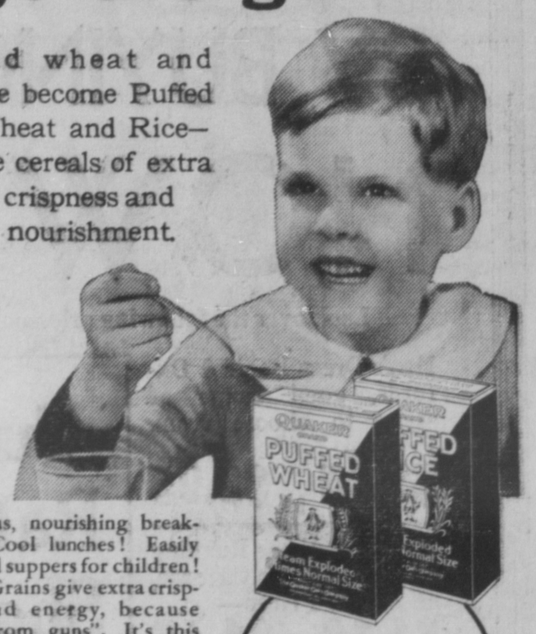
BOOM go the guns!
and wheat and rice become Puffed Wheat and Rice—the cereals of extra crispness and nourishment.



Delicious, nourishing breakfasts! Cool lunches! Easily digested suppers for children! Puffed Grains give extra crispness and energy, because "shot from guns". It's this famous process that breaks open thousands of food cells in every grain. Steam cooks the contents. Makes Puffed Grains so digestible that a single dish with milk and sugar gives the energy value of a baked potato or lamb chop.
A luxury in all but price!
Puffed Wheat and Puffed Rice have been sharply reduced in price. Get a package from your grocer today—at new low prices.
