LADIES' GAME WAS FEATURE

MAPLE LEAFS AND ADANACS BATTLE TO DRAW — ELKS, GRAND TERMINALS AND COLTS WINNERS LAST NIGHT

The feature of last night's basketball games at the Exhibition Hall was the match in the Ladies' League in which the Maple Leafs and Adanacs played to an 11-11 draw. It was the first game so far this season in which the Leafs were compelled to extend themselves and it augurs well for some subsequent interesting engagements in this division. It was back and forward all the way through with the Adanacs a point ahead at the end of the first half, the Leafs ahead at the end of the second, no scoring in the third, and the teams still even at the final whistle.

SPORT CHAT

Along the Kansas-Oklahoma border where straight shooting always has been more or less an accomplishment of the citizenry, live five brothers whose ability to shoot straight has brought them international recognition. Unlike the Dalton boys, the Etchen brothers of Coffeyville, Kansas—Fred, Frank, Charles, Will and Al—acquired their reputation by shooting at clay pigeons. Fred Etchen, a member of the United States Olympic team several years ago, won the International Flyer Championship for the season of 1926. He is both singles and doubles champion of Kansas, the first man to hold both titles at once, and formerly was national doubles champion. Frank, Will, Charles, and Al Etchen also have numerous trapshooting titles tucked away to their credit, and as a team with Fred they have brought hundreds of prizes to Coffeyville. Fred Etchen is a southpaw gunner.

Every time an automobile racer beats the previous speed record on the Cleveland-Akron speedway at North Hampton, Ohio, he establishes a world record, because the speedway is said to be the only half mile wooden bowl in the world. The speedway is so small in circumference, that on the curves it stands up at a 45-degree angle. On the straight-aways, its angle is 23½ degrees. The half-mile record now held by Demon Litz, Altoona, Pa., racer, who made the circuit in 2 seconds.

"The Davis Cup for 1927 must be ours" is the slogan adopted by the French Tennis Federation after hearing the argument of Pierre Gillou, Vice President of the Federation and Captain of the 1926 French Davis team, in favor of France entering the competition in the American Zone next year. Lacoste already has decided to go to the United States early in the season while Borota, Brugnon, and Cochet have been queried to find out if they could make arrangements to be away from France during three months next summer. Brugnon and Cochet are prepared to do so but Borotra thought he could not give a reply at this early date. The question of sending the team to America at the end of June will come before the Federation in December.

SWIMMING POOLS OF EDMONTON LOST MONEY

EDMONTON, Nov. 18.—Operating of the three municipal swimming pools show a deficit of $1,155, compared with a loss of $703 last year, according to a report that Comptroller J. Hodgson submitted to the city commissioners.

All of the pools are shown to have deficits this year, the smallest being the East End which had only a loss of $32. At the West End there was a loss of $442 on the season's operations while the South Side was on the wrong side of the ledger by $630.

Over $16,000 was paid in by those who patronized the pools this year. The report shows that the revenue at the various baths was as follows: South Side, $5,488; West End, $5,971; East End, $4,908.

One reason for the increased loss this year, according to city officials, is that additional expense was incurred by the installation of gas-saving devices at the South Side and West End pools.
