SOURED ON THE WORLD?—THAT'S LIVER

Wake up your Liver Bile —No Calomel necessary

Many people who feel sour, sluggish and generally wretched make the mistake of taking salts, oil, mineral water, laxative candy or chewing gum, or roughage which only move the bowels and ignore the liver.

What you need is to wake up your liver bile. Start your liver pouring the daily two pounds of liquid bile into your bowels. Get your stomach and intestines working as they should, once more.

Carter's Little Liver Pills will soon fix you up. Purely vegetable. Safe. Sure. Quick. Ask for them by name. Refuse substitutes. 25c. at all druggists. 51

Good Way To Stop Acid Stomach

Any druggist will tell you the best way to stop acid stomach and indigestion is to take a little Bisurated Magnesia in water after meals. This will stop your indigestion and sweeten the stomach. Get rid of gas and belching in no time. Ask any druggist.

How To KEEP FIT

When your physical regularity is disturbed, and you feel run-down and "headachey" the wise thing to do is to take Andrews Liver Salt on several successive days until the normal rhythm is fully re-established. Andrews will give Nature the aid she needs to do this for you by stimulating the inner cleansing functions. Then, when normal habits are recovered, follow the Andrews Rules of Health.

Eat moderately. Get lots of sleep, fresh air and exercise. And take a brisk, effervescing glass of Andrews Liver Salt twice or twice a week. Sustained good health will amply repay you. Get Andrews from your druggist. In tins at 35c and 60c.—New large bottle, 75c. Sole Agents: John A. Hughes Co., Ltd., Toronto. 4

Piles are being re-driven in at least three bridges. Slides along the line between Woodcock and Kwinitsa are also being cleared and repairs made elsewhere on the track.
