SOURED ON THE WORLD?—THAT'S LIVER

Wake up your Liver Bile —No Calomel necessary

Many people who feel sour, sluggish and generally wretched make the mistake of taking salts, oil, mineral water, laxative candy or chewing gum, or roughage which only move the bowels and ignore the liver.

What you need is to wake up your liver bile. Start your liver pouring the daily two pounds of liquid bile into your bowels. Get your stomach and intestines working as they should, once more.

Carter's Little Liver Pills will soon fix you up. Purely vegetable. Safe. Sure. Quick. Ask for them by name. Refuse substitutes. 25c. at all druggists. 31
