THAT DEPRESSED FEELING IS LARGELY LIVER
Wake up your Liver Bile —Without Calomel
You are "feeling punk" simply because your liver isn't pouring its daily two pounds of liquid bile into your bowels. Digestion and elimination are both hampered, and your entire system is being poisoned.
What you need is a liver stimulant. Something that goes farther than salts, mineral water, oil, laxative candy or chewing gum or roughage which only move the bowels—ignoring the real cause of trouble, your liver.
Take Carter's Little Liver Pills. Purely vegetable. No harsh calomel (mercury). Safe. Sure. Ask for them by name. Refuse substitutes. 25c. at all druggists. 53

Mrs. J. Lorne McLaren and daughter, Miss Lorna McLaren, will sail tonight on the ss. Princess Adelaide for a two-weeks' trip to Vancouver.

A boy of juvenile age is appearing before Magistrate McClymont in city police court this afternoon on a charge of discharging firearm within the city limits in contravention of city bylaws. The boy is alleged to have used a 22-calibre toy revoler.
