TWO HUNDRED SKATERS OUT

Lake Near End of Road was Well Patronized on Sunday and Over Week-end

It was estimated that some two hundred persons went out to the lake near the end of the Kaien Island Highway on Sunday. After considerable sweeping of snow had been done, it was found that the quality of the ice was of the best. Some taxi concerns did a thriving business during the day taking the skaters out and bringing them back.

The ice is reported to be softening today, indications being that the cold spell, which lasted for over two weeks, is about over. Saturday night, the lowest thermometer reading was 23 above zero but there was no frost last night though drifting snow turning to rain today.

Fred Stork, Liberal candidate for this riding, says he is not in favor of the repeal of the Military Service Act which he says is now the law of the land and must be lived up to. He is, however, in favor of conscription of wealth as well as of men. Mr. Stork left the city last evening on a campaign tour.

Mrs. Hal Peck and Mrs. R. O. Jennings have been appointed conveners in Prince Rupert for Red Cross Society sewing.

"THE STOLEN BRIDE" IS OLD WORLD ROMANCE

A well-balanced cast, headed by one of the screen's most striking personalities, brilliance of direction and wealth of story, setting and atmosphere combine to make "The Stolen Bride," tonight's feature at the Westholme Theatre one of the outstanding pictures of many months.

Introducing gorgeous Billie Dove to the screen as a star in her own right, this First National picture is ideal as a vehicle for the beautiful actress, and her dramatic and moving performance more than confirms the judgment of the producer in advancing her cinematic position. In every scene of the picture Miss Dove's personality impresses itself forcefully upon the audience and she demonstrates that she is not only one of the most beautiful but one of the leading dramatic actresses of the screen.

With its locale in the intriguing atmosphere of Central Europe, which in the days before the World War threw that portion of the continent into chaos, "The Stolen Bride" is filled with the glamor and romance and intrigue of the Old World.

"ISLE OF RETRIBUTION" IS ALASKAN STORY

Shows Great Blizzards, Human Conflict and Wonderful Scenery

The theme of the "Isle of Retribution," melodramatic in character, is that of a dissipating son of a millionaire who goes to Alaska and there is held captive by a brute giant. Through imposed hardships he is spurred on by the girl he loves, regenerates, whips the villain, gains the girl's love and returns to America, a real man.

The picture is an uncommon addition to the long list of pictures with Alaskan background. It is regrettable that the editing shears have been applied too indiscriminately, the unhappy result of which is that the picture lacks the unity of sequence, continuity is at times jerky and unrelated.

Against these minor demerits we have magnificent backgrounds, realistic atmosphere, and human conflict amid the frigid Alaskan expanse, lashing blizzards and numbing temperature. Victor McLaglen contributes a striking characterization as the smiling villain and should be in great demand by big concerns for big roles; he deserve it. Lillian Rich and Robert Frazer create a likeable heroine and hero respectively, David Torrence and the remaining cast furnish good support. However illogical they may be, the picture abounds in melo punches that are stirring and will hold the audience in suspense.

"TILLIE THE TOILER" COMING THIS WEEK

Famous Comic Strip Characters to be Seen in Movies Wednesday and Thursday

"Tillie the Toiler," known and loved of newspaper readers is to be seen in the movies this Wednesday and Thursday with Marion Davies as Tillie.

Millions who daily read the comic strip have learned to regard Tillie as a sympathetic figure, a girl of charm lacking in sophistication but with a wealth of personality and appeal that is irresistible.

"Though I believe Tillie is an exaggerated character," says Miss Davies, "I believe she has done much to win public sympathy for the thousands of girls who have the grit to get out and earn their living in the business world, even if some of them are unfitted to do so.

"Most young girls, whether they are stenographers or deputantes, are frivolous and it detracts not one whit from their loveliness. The mere fact that a girl must support herself cannot be expected to take from her that inherent love for feminine finery and a good time. It is the spirit of feminine youth."

WELL-KNOWN BOXER IN WEEK-END PICTURE IS ONE OF THE FEATURES

"Knockout Reilly" Stars Jack Renault in Fast Moving Film

"Knockout Reilly," Richard Dix' newest Paramount starring effort directed by Malcolm St. Clair, is coming for the week-end.

Dix has an especially strong cast supporting him in this picture, the story of a young steel puddler who fights his way to ring fame at the instigation of a girl with whom he falls in love. Mary Brian but lately featured in "Beau Geste," is here featured as Mary Malone, cabaret entertainer, whose brother Pat is the dethroned pugilistic champion. Jack Renault, the well-known boxer, is cast as Killer Agerra, the new champ., and the cause of the Dix troubles.

"Knockout Reilly" is a fast moving film with scene following on exciting scene. A pleasing love story motivates the action. Director St. Clair made judicious use of dramatic sidelights to sustain suspense. The picture is reputed to be one of the finest Dix has made to date.

KEEP BOYS OUT OF JAIL SAYS EXPERT

LONDON, November 18.—"One of the greatest things you can do is to so educate and influence public opinion that in course of time, save in the most exceptional cases, it will be impossible for any English court to send any man to prison," said Alexander Paterson, of the Prison Commission of the Home Office, in a recent address.

"After five years and a half of continuous service for prisons, I would say that, despite all the arrangements made by the governors and their staffs for separating the boy prisoner from the man, you can be certain of this—that in every case of a man sent to prison there is contamination, and in a very considerable number of cases there is marked deterioration."

Mr. Paterson urged magistrates never to send a boy to prison for seven days or three weeks. What good purpose could be served by it? If it was intended as a punishment, seven days in prison was no punishment at all. If it was intended to reform the boy, nobody could be reformed in seven days.

MOVE TO ABOLISH GREYHOUND BETTING

MANCHESTER, Nov. 18.—In connection with numerous protests against the gambling on greyhound racing the Manchester Watch Committee recently passed the following resolution unanimously:

"That this Committee is strongly of opinion that betting on greyhound race courses should be abolished, and that the Home Secretary be requested to introduce legislation at the earliest possible date with a view to the prevention of such practices."

A greyhound owner, commenting on the resolution, observed: "If you stop the betting you stop the racing."
