Halibut prices at Wednesday's session of the Fish Exchange were a little firmer in spite of the exceptionally heavy landings so far this week. American vessels received from 7.5c and 5c to 7.8c and 5c for 50,500 pounds and Canadian boats 5c and 4.5c to 5.6c and 4.8c for 69,000 pounds.

Following the special Victoria Day excursion to Port Simpson yesterday, C. N. R. steamer Prince Rupert, Capt. Neil McLean, sailed this morning at 2:30 for Vancouver to remain until the night of June 8 when she will sail for the north with the Vancouver Board of Trade excursion. In the course of the excursion, the vessel will spend all day Monday, July 11, at Prince Rupert with the party, arriving in good time in the morning and sailing that night in continuation of the trip. Twenty-two members of the Prince Rupert's crew arrived here on the Prince George Wednesday morning to join their ship.

Having such a large list of passengers on board for the north that it was impossible to provide accommodation for some who sought passage from here, C. P. R. steamer Princess Norah, Capt. William Palmer, arrived in port at 11 o'clock yesterday morning from Vancouver and sailed an hour later for Skagway and other points whence she is scheduled to call here next Monday afternoon southbound. On arrival here, the vessel had on board 149 passengers, one leaving the ship at this port and forty boarding her here for the north. Most of those aboard were going to the north to engage in mining in various parts, there also being a few members of boat crews of the Yukon and White Pass Line.

West Coast of Vancouver Island fishermen have decided to go on strike, if necessary, in demand for 40c a fish for sockeye.

Dr. Mandy Pays Visit to Queen Chalotte Islands

Dr. Joseph T. Mandy, resident mining engineer, returned to the city on the Prince John on Wednesday morning from a two weeks' trip to the Queen Charlotte Islands on official inspection duties. He visited some new mines that are opening up on the Islands and also examined some very good looking gold prospects that have been discovered lately. Among other properties he visited was the Prince Rupert group on which the Haida Gold Mines Ltd. of Vancouver is carrying on development including the driving of a long tunnel.

Dr. Mandy was accompanied on the trip by his wife.

THRILLING WESTERN

Randolph Scott and Barbara Fritchie Head Cast of "The Last Round-Up"

The story of "The Last Round-Up," another thrilling Zane Grey western picture, which comes to the Capitol Theatre this week-end, is based on the exciting adventures of the "border legion," a band of outlaws which held forth in California during the dangerous gold rush days of 1870.

Barbara Fritchie, a newcomer in her first moving picture role, is kidnapped by a bandit chieftain, Fred Kohler, a former sweetheart whom she had jilted. Randolph Scott, forced to join the outlaws, falls for her, attempts to rescue her but is caught and sent away. Later, through a chain of thrilling circumstances, the two lovers are united. Monte Blue and Fuzzy Knight are also prominent members of the cast.
