Midgewood, of Australia, met Debalzie, of France, at the Stadium, Rusehutter, Bay, in the fiercest boxing contest that has been seen in Sydney for many years. Amid a scene of wild excitement the Frenchman was disqualified in the eighth round for using his elbows in a clinch.

Hughie Mehegan, the Australian champion lightweight, has been matched to meet Owen Moran, November 25th.

Referring to the decision by Hugh McIntosh to cease all negotiations for the appearance in Australia of Jack Johnson, the Sunday press says that McIntosh, in banning Johnson, has set a lead in Australia that must be followed by every part of the world where boxing is popular. "American promoters will be compelled to follow suit," is the way the Sunday Times puts it.

Coast hockey moguls are laying out ammunition and will be ready for action if war is declared.

Sport in Canada would be a dismal failure unless we had a war on our hands. If it's not lacrosse, it's hockey and occasionally the A. A. U. of C. engages in a scrap. It's great, believe us.

The 48-foot yacht Ortona, when last reported, was leading the Gwendolyn II by three miles. The race is from Seattle around Tatoosh Island and back, a distance of 300 miles.

FOGEL DENIES CHARGES MADE

In Letter to Lynch Fogel Denies the Charges Made Against Him of Saying Games Were Fixed.

New York, Nov. 4.—A general denial of the charges brought by the National League against Horace Fogel, president of the league's Philadelphia club, in this city on October 17th, are contained in a letter received from Fogel by President Lynch.

Mr. Fogel's letter expressed defiance of the right of the National League to try his case for an alleged statement reflecting on National League baseball, according to Mr. Lynch, who said the text of Mr. Fogel's reply would not be made public until November 26th, when the league will meet here to give the Philadelphia official a hearing.

One of the charges brought against Fogel is that in a signed article he said the National League race for 1912 was "crooked," and that President Lynch and certain umpires were working in the interest of the New York club, and that further, it was "fixed" for the New York club to win the pennant. In his letter of reply, Mr. Fogel denies he made such statements.

White Hope Belt.

Los Angeles, Cal., Nov. 2.—Jim Flynn and Luther McCarthy were matched to fight 20 rounds at the Vernon arena, December 16, in the first of promoter McCarey's "white hope" elimination contests in the heavyweight division. It was announced the winner would be offered a match with Al Palsler. After all the "hopes" have been tried out it is McCarey's intention of awarding a diamond belt to the winner, emblematic of the world's championship.
