WELL KNOWN COUPLE WED

MISS JEAN HALLIDAY MACKAY BECOMES BRIDE OF DAVID ROBERT BARCLAY

A pretty and interesting wedding was solemnized at 4 o'clock this afternoon in the First United Church when Rev. Evan Baker, assisted by Rev. George G. Hacker, united in marriage Miss Jean Halliday Mackay, only daughter of Mr. and Mrs. T. Ross Mackay, 1160 Tenth Avenue East, and David Robert Barclay of Glasgow, Scotland. The church was beautifully decorated with seasonal flowers and foliage and there was a large assemblage of friends of the contracting couple to witness the ceremony.

The bride, who was given away by her father, was beautifully gowned in ivory Canton crepe with overskirt of accordion pleated crepe and panels of metallic cloth, white slippers and hosiery and small model hat of metallic cloth trimmed with French flowers. She carried a shower bouquet of Ophelia roses, freezia and maiden hair fern.

The bridesmaid, Miss Evelyn Macdonald, wore a charming dress of sea green satin, back crepe and large black satin picture hat with seagreen trimmings. Her bouquet was of pink chrysanthemums.

The groom was attended by his brother-in-law, John McLean. Ushers were Cecil Hacker and Ralph Smith. Miss Marjorie Lancaster presided at the pipe organ and Miss Annie Dalby sang "Until" during the signing of the register.

The groom's gifts to the bridesmaid, organist and soloist were bracelets set with pearls. The best man and ushers received tie pins. Among the many beautiful gifts received by the bride was a handsome bronze reading lamp from the girls of the Maple Leafs basketball team.

After the ceremony, the happy couple embarked on the steamer Cardena to spend a three weeks' honeymoon visiting in Vancouver and Sound cities. The bride's travelling costume was a coat of brown needlepoint cloth with fur collars and cuffs.

On their return to Prince Rupert, Mr. and Mrs. Barclay will take up residence in the Summit Apartments. Both bride and groom are well known and popular amid a wide circle of friends in the city. The bride has resided here since early girlhood. The groom is chief officer on the lighthouse tender Birnie.

SCHOOL BOARD TALKS OF PUPILS UNABLE TO SPEAK ENGLISH

The matter of receiving at the school pupils who are unable to speak English was discussed at the meeting of the school board last night with the teachers. It was intimated that, in some instances, pupils were admitted who were unable to speak a word of English and, naturally, time had to be taken from the other pupils to give these additional attention. As an instance of the cosmopolitan nature of some of the classes in the local schools, it was reported that, in one class, of 38 pupils they came from 16 different localities. Reference was also made to the parent who was anxious to have a child who had just arrived from Norway taught the English language in the local schools. There was no action taken in the matter.

PRINCE GEORGE FARMER KILLED

ROBERT J. BLACKBURN, MOST SUCCESSFUL FARMER IN CENTRAL B.C., FATALLY GORED BY BULL

Robert J. Blackburn of Prince George, known in Central British Columbia from the coast to the Alberta boundary as one of the most successful, if not the most successful, farmer in the district and more particularly known in Prince Rupert from his accomplishment at the 1925 exhibition in carrying off first prize in the agricultural display contest with the finest exhibit of its kind ever assembled in the city, was fatally gored by a Holstein bull and died in the Prince George Hospital at the end of last week.

A hired man on the farm had reported to Mr. Blackburn that the bull had broken loose in its stall, and it was in attempting to fasten the animal that Mr. Blackburn met with his injuries. When he entered the stall the bull charged him, pinning him against the side, and goring him right through the lower part of the body. The hired man sought assistance from neighbors, but by the time they arrived Alexander Blackburn, one of the sons, arrived back from Prince George. The bull at this time was running wild around the yard and charged the automobile in which the younger Blackburn arrived, driving him and the neighbors to a hay stack, which was charged in turn. The men then took to the loft in the barn and the bull stood guard at the door. While two of the party held the bull at the door of the barn one man made his way out of the rear and returned with a rifle. Alexander Blackburn despatched the animal.

Deceased conducted the Prince George district Dominion Government experimental station and made a specialty of rearing purebred Holstein stock.

SCHOOL TRUSTEES HAND BOUQUETS TO RETIRING MEMBER

The chairman of the school board referred in very complimentary language to Trustee Fulton who attended his last meeting of the board last night. The two years had been very harmonious, Mr. Rochester said, and much had been accomplished with the co-operation of all the members. The other members of the board also agreed with the chairman and expressed good wishes to the retiring member in his other public activities.

The Well-Managed Home

THE manager of a household is the purchasing agent for a large proportion of the family needs. In order to do a good job she must know what, when and where to buy. She must study goods and the concerns which make goods and have them to sell. She must put her home on a business basis and run it on business principles in order to make the most of the family income.

Information is the only basis for intelligent purchasing. And the right way to get the greatest amount of necessary information is to read the advertisements.

Advertisements tell you what is new and good in merchandise. They reveal improvements and inventions to make your home life easier, more comfortable and more convenient. They give you information about a thousand and one things that are useful.

Every manager of a household---every member of the household who shares the responsibility for the family's welfare---should make a habit of reading the ads.

Read the advertisements in order to buy wisely

NO ACTION TAKEN ON APPLICATIONS FOR MORE SALARY

The applications for increases in salary which were received at the last meeting of the school board and were laid on the table at that time were disposed of at the meeting last night. It seemed to the the opinion of the trustees that it would be unwise to adopt a precedent which would upset any arrangements made at the opening of the year and it was, therefore, agreed that the matter be left over until the meeting of the board in June when the question of salaries would be under review by the board for the ensuing year.
