Simple Rules Prevent WEARINESS

Do you know that there is a simple, natural way to stay on the high-road of good health and to end those days of weariness when body and brain seem sluggish and heavy? There is. And it is just *living right*, plus being sure that you are not unconsciously suffering from *incomplete* elimination of body wastes.

Eat moderately. Sleep sufficiently. Get lots of fresh air, exercise and recreation. Don't worry. And make sure of complete elimination by taking a stimulating, pleasant-tasting glass of Andrews Liver Salt once or twice each week.

Do not make the mistake of supposing that just because your habits are regular your system is functioning perfectly. It is because your eliminative organs are *not* functioning fully that you go through days of weariness, or suffer indigestion and headaches. The weekly or twice-weekly bracing glass of Andrews Liver Salt will help Nature to sustain *complete* elimination, and thus give you a restful appetite, and sustain you in vigorous health.

Prevention is better than cure. Begin now to observe these simple, inexpensive Andrews Rules for Health. Get Andrews Liver Salt from your druggist. In tins, 35c and 60c. New, large bottle, 75c. Sole Agents: John A. Buston Co., Ltd., Toronto.
