Neglected Eyes

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to—and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

MARY PICKFORD SELLS PROPERTY AT TORONTO

TORONTO, Oct. 18.—America's sweetheart, Toronto's own Mary Pickford, who as little Gladys Smith in years gone by used to play around her father's home on University Avenue, has sold the last lot of her Toronto holdings, a 50-foot vacant parcel on Lytton boulevard, North Toronto. This once formed a part of the old Sparrow homestead. Mary bought her Lytton boulevard lot along with a number of similar ones in May of 1914, when the old "Sparrow dairy farm" was subdivided. Some one has laboriously figured out that she made $1,470 as her net profit over a 13-year period on her original investment of $1,250.

JACK MINER'S GEESE ON NORTHERN SHORES

KINGSVILLE, Ont., Oct. 18.—Regularly each year Jack Miner places metal tags on the legs of geese which sojourn in the Miner Bird Sanctuary here on their migrations north and south. It is interesting to note how regular these birds are in the habit of returning year after year to the same place to rest. Jack Miner recently received 28 tags from George Cotter, of Fort George, Que., on James Bay. These tags were collected by Eskimos and were in number and date as follows: 3, 1922; 3, 1923; 1, 1924; 1, 1925; 15, 1926 and 5, 1927, (spring).

LADY MADE RECORD IN SMASHING AUTOS

EDMONTON, Oct. 18.—To damage three autos and her own, was the record set up by one Edmonton woman, who ran into a line of parked cars. She destroyed the left fender and buckled the spare tire rim or number one. Then she had a swipe at number two, damaging the running board and scraping off a hub-cap. Number three got its rear bumper and a running board damaged. Then, as the official police report says, this was where Mrs. Evenson came to grief," her auto ending up with two burst front tires, a bent axle, broken radius rod, steering gear out of commission, and a broken windshield. The lady's husband undertook to pay all damages.
