Simple Rules Prevent WEARINESS

Do you know that there is a simple, natural way to stay on the high-road of good health and to end those days of weariness when body and brain seem sluggish and heavy? There is. And it is just *living right*, plus being sure that you are not unconsciously suffering from *incomplete* elimination of body wastes.

Eat moderately. Sleep sufficiently. Get lots of fresh air, exercise and recreation. Don't worry. And make sure of complete elimination by taking a stimulating, pleasant-tasting glass of Andrews Liver Salt once or twice each week.

Do not make the mistake of supposing that just because your habits are regular your system is functioning perfectly. It is because your eliminative organs are *not* functioning fully that you go through days of weariness, or suffer indigestion and headaches. The weekly or twice-weekly bracing glass of Andrews Liver Salt will help Nature to sustain *complete* elimination, and thus give you a restful appetite, and sustain you in vigorous health.

Prevention is better than cure. Begin now to observe these simple, inexpensive Andrews Rules for Health. Get Andrews Liver Salt from your druggist. In tins, 35c and 60c. New, large bottle, 75c. Sole Agents: John A. Huston Co., Ltd., Toronto.

The fire department had a call at 9 o'clock last night to a chimney fire at the Royal Bank of Canada. No damage was done.

Constable Alex Livingstone of the city detachment of the provincial police sailed last night on the Prince Rupert for Vancouver with two prisoners in his custody.

RAIL RATE IS REDUCED

C. N. R. Makes Move to Help Marketing of Vegetables and Potatoes

The Canadian National Railways have established a new tariff on l. c. l., shipments of vegetables and potatoes from the interior to Prince Rupert, reducing the old rate by one-quarter to one-third. For instance, the new rate from Smithers to Rupert on vegetables and potatoes per 100 pounds is 44c and 35c respectively as against the former rates of 75c and 56c.

It is hoped also that further concessions will be granted commencing next fall and permitting individual shipments of produce on the regular trains at the low rate.

This is the only possible solution allowing a regular and fresh supply of produce to arrive through the week and is essential if there is to be any hope of competing with southern produce.

ELDERLY MAN DIES

Charles McInnes Found Dead in Bed in Cabin on Second Avenue Yesterday

Charles McInnes, an elderly resident of the city for some twelve years, was found dead in his bed yesterday afternoon in a cabin on Second Avenue near McBride Street, having evidently expired in his sleep the night previous. He had been dead for several hours when the body was found by Corp. G. A. Wyman of the city detachment of the provincial police who visited the place after neighbors reported that there had been no stir from deceased that day although he had been up and around the previous evening. Deceased had been in failing health for some time.

A laborer but having been unemployed for some time, McInnes was 62 years of age and was born in Ontario. He came here from Vancouver and was unmarried.

An inquiry was held this morning by Coroner Norman A. Watt who satisfied himself that death was due to natural causes.

Funeral arrangements are in the hands of the B. C. Undertakers.
