

## DEMOCRATS MAKE CLEAN SWEEP IN THE STATES

### BULGARIANS DEFEAT TURKS AFTER DESPERATE TWO-DAY BATTLE IN WHICH MANY PERISH

#### MAN CUTS THROAT FROM EAR TO EAR ON PRINCE RUPERT

**PATRICK DYMOND, STEERAGE PASSENGER, AFTER ATTEMPTING VAINLY TO JUMP OVERBOARD, CUTS HIS THROAT WITH RAZOR IN LAVATORY OF SHIP.**

Lying stretched stark dead in a pool of his own blood in the lavatory of the deck portion of the steamer Prince Rupert with his throat cut from ear to ear, the body of Patrick Dymond, a steerage passenger, was found at 5 o'clock this morning.

The discovery was made by one of the other passengers, who immediately notified the third officer, who was on watch, the latter at once taking the necessary steps to have the body removed, apprising his superior officers of the tragic occurrence.

But little information could be gathered of the antecedents or personality of the deceased. It appears he was a working man on his way with the large number of other deck passengers

to Prince Rupert to go up the line to work on the railroad construction. He had no particular claim on the boat, merely making travelling acquaintance with his fellow passengers in the ordinary course of events.

He made an attempt to end his life by jumping over the side of the boat earlier in the evening, being restrained by his companions from his evident intention of committing suicide.

Upon the arrival of the Prince Rupert this morning, the Provincial authorities were at once notified, Constable Doolittle taking charge of the case. The body has been removed to Hayner Bros., undertaking establishment. An inquest will probably be held today by Coroner McMullin.

#### AMERICAN NAVY FULL OF GRAFT

**Reports Show That Commissary Department Is Reeking with Corruption.**

Washington, Nov. 6.—A system of graft in the commissary department of the navy which may reach every ship in the Atlantic fleet has been revealed by a secret investigation. Rear Admiral Osterhaus reported to the Navy department that the investigation has resulted in the confession of G. T. Davis, chief commissary of the battleship Louisiana.

Admiral Osterhaus' report is very brief and contains no details further than Davis in his confession implicated the stewards of other ships in the fleet—at least six—and several contractors. The investigation, which has been under way for several days before a formal court of inquiry, has been conducted with the utmost secrecy.

It is said that after Davis had been suspected of illegal transactions in the handling of government supplies, Captain Welles of the battleship laid a trap in which officials say Davis was caught. Captain Welles arrested Davis and preferred charges

against him to Admiral Osterhaus. The investigation by the court developed not only the charges against Davis, but what is said to be a system of illegal dealings by commissary stewards on many other ships. As in all cases of the kind, officers are reluctant to discuss the situation. The navy men are jealous of the honor of their service and make no effort to conceal their chagrin of a revelation of anything irregular.

#### GREAT DIAMOND FOUND New Stone Found in South Africa Weighs 1,649 Karats.

Johannesburg, Nov. 5.—A diamond weighing 1,649 karats was discovered today in the Premier mine here. In this same mine the famous Cullinan diamond was discovered in 1905, weighing 3,024 karats, but it had to be cut into seven pieces. This new stone is perfect and can be cut into one stone, thereby making it the largest single stone in the world.

#### BAPTIST BROTHERHOOD HAVE A MOST SUCCESSFUL BANQUET

**SIXTY PERSONS ENTERTAINED IN MINTYRE HALL LAST EVENING AT THE SECOND ANNUAL BANQUET OF THE BAPTIST BROTHERHOOD OF PRINCE RUPERT.**

The second annual banquet of the Baptist Brotherhood, held in McIntyre Hall last night, was in every particular a success. From the moment of commencement until almost midnight there was not a single dull moment. Not only was the feast one that Epicure himself could find no fault with, but the speeches and responses to the various toasts proposed were filled with an optimism not only as regards the Brotherhood, but Canada and Prince Rupert.

The occasion of the banquet was the second anniversary of the starting of the Baptist Brotherhood, which two years ago originated in a little shack. Here some ten or fifteen young men gathered together for mutual and self improvement, physically, mentally and morally. The organization has now grown to

such an extent that suitable quarters had to be obtained to accommodate the ever increasing membership and now a building of their own is planned by the members. In the athletic contests, in which they have entered, the members have won considerable honors and a number of handsome trophies.

President Mellor presided at the banquet and at 8 o'clock opened the second annual banquet with a few fitting remarks. Rev. W. H. McLeod invoked a blessing on the board and those who sat at meat. Some sixty guests were seated around the long tables, which were decorated delightfully and lighted with a nice, soft light thrown from a number of beautiful shaded electric parlor lamps, while over-

## WOODROW WILSON ELECTED PRESIDENT OF UNITED STATES

**Wilson Polls Tremendous Vote and Gets Immense Majority Over Roosevelt and Taft—South Goes Solid for Democrat—Taft Was Completely Snowed Under**

(Special to Daily News.)

New York, Nov. 6.—While the majority in favor of Wilson is not yet complete and will not be officially announced for some little time, Alaska and the other distant points having to be heard from, it is absolutely certain that the United States has returned to the Democrats a great majority and that the country, torn by the strife in the Republican party and sickened by the actions of the Progressives and Republicans, has gone strongly in favor of Wilson.

The latest reports give Wilson 291 electoral votes out of 543.

New York, Nov. 6.—(12:45)—The returns shortly after 11:30 last night gave the following states for Wilson, insuring his certain return to the presidency: Alabama, Arkansas, Connecticut, Delaware, Florida, Indiana, Kentucky, North Carolina, Maryland, Massachusetts, Mississippi, Wyoming, New York, South Carolina, Tennessee, Texas, Virginia, Oklahoma, New Mexico, Missouri, West Virginia, New Jersey. Giving a total of 291 electoral votes.

New York, Nov. 5.—In a special edition tonight the American says that both the Senate and the Congress will be Democratic. The Sun says Penrose of Pennsylvania concedes Wilson the election. Wilson carried Virginia by 40,000.

Illinois is conceded to Roosevelt outside of Cook county by at least 90,000. Incomplete returns indicate that Wilson was elected by a great majority, with Taft second and Roosevelt third.

San Francisco, Nov. 6.—Woodrow Wilson carried the state of California by a majority of over 20,000 over Roosevelt.

Seattle, Wash., Nov. 5.—The few scattered returns that have been received here indicate that Roosevelt is leading by a small majority over Taft, but Wilson's election is freely conceded.

New York, Nov. 5.—The election of Woodrow Wilson as president of the United States and Marshall as Vice-President is

assured as indications received here indicate that the percentage of electoral votes now known to be in favor of the Democratic candidate will give him a small majority, while the complete returns will give him an overwhelming lead over Roosevelt and Taft. Only meagre reports have been received from Pennsylvania, Indiana, Ohio and other large states, but enough has been learned to give the Democrats a most assured victory, and it is certain that in the heavily populated States that Wilson received the majority.

Early returns gave Wilson a solid lead in the south, embracing all the Democratic States south of the Potomac and in Connecticut, Delaware, Kentucky, Maine, Maryland, Massachusetts, New York and apparently West Virginia, Indiana and Missouri.

Roosevelt's victory in Illinois carries with a plurality of over 100,000. New Hampshire and Vermont have given a majority to Taft.

The states where the results are reasonably certain give the following electoral votes:

Wilson, 267.  
Roosevelt, 29.  
Taft, 8.

Early in the evening when the returns were arriving, Democratic National Chairman McCoombs from New York sent this message to Governor Wilson over a wire direct to his home in Princeton: "You have carried New York by a tremendous plurality. You have also carried Massachusetts by sixty thousand plurality. Have just received a message from the national committee chairman, Fred B. Lynch, that you have carried Minnesota by twenty-five thousand. It's a clean sweep."

Senator James M. Dixon, the Progressive National chairman, after scanning the returns from New York, Massachusetts and Eastern States, recognized that the situation was against them. He said: "We have got to go to the west for Roosevelt."

New York, Nov. 6.—(2:45 a. m.)—The latest returns of all the states give Wilson 293 electoral votes, Roosevelt 74 and Taft 5, with 5 votes in Idaho, New

Hampshire, Pennsylvania, South Dakota and Wyoming still in doubt.

#### PANAMA FAIR FUNDS COME IN SLOWLY

San Francisco, Nov. 6.—The first report of Rodney S. Durkee, comptroller of the Panama Pacific Exposition, handed to President Charles C. Moore, shows that but \$2,325,804 of the signed subscriptions pledged for financing the exposition have been paid in. This is just a little over 38 per cent. of the amount promised. Although the expenditures of the building and grounds committee has been in excess of \$3,000,000, there still remains a balance in the treasury of \$630,044.

Special attention is called by Comptroller Durkee to the fact that of the \$1,000,000 pledged by the City of Oakland, not one cent has been forthcoming.

#### WON'T DISCUSS NAVAL POLICY

**Sir Wilfrid Tells Quebec Liberals Not to Discuss the Naval Policy Until It Has Been Declared.**

(Special to Daily News.)

Montreal, Nov. 6.—Sir Wilfrid Laurier has written to the Liberal Association here regarding the contest in Hochelaga and opposes offering opposition to Coderre on the naval question, claiming that it is a matter to be discussed on the floor of the House and should not be carried into a campaign before the government have officially announced their policy.

All that is known now, said Sir Wilfrid in his letter, is what the newspapers claim is Borden's policy. The proper place for the discussion is on the floor of the House.

His advice will be followed by the Liberals in the coming campaign in Hochelaga. The Nationalists may enter the fight.

It was cashed by W. H. Wright, proprietor of the Windsor Hotel. Upon enquiry by the police no evidence of the accused ever having an account in any bank in the city was obtainable. The case was adjourned until Saturday next to enable the accused to obtain the services of counsel for his defense.
