ONLY ONE MORE GRAIN SHIP EXPECTED HERE

Elevator Offices up to Today Have no Advices of Two Vessels Coming Here

The local elevator management expects to ship only one more full cargo of grain this season it was stated this afternoon. So far the elevator has not been advised of the British freighter Anglo-Australian coming here although it is possible this vessel may be coming instead of the motorship King James which it was originally reported would take the final cargo. In any case, it is not now expected that both vessels will be here. There is not yet enough grain in the plant to load one ship.

SALMON TROLLERS TELL OF CHANGE IN SALMON FISHERIES

Salmon trollers from Dundas and Squaderee report that the spring salmon are not running there this year as well as usual and they seem to be taking a new course, possibly disturbed by the large number of boats there. A number of men have been fishing on the banks in the middle of Hecate Straits but the weather affects them there a good deal. Quite a lot of fishermen have so far not made expenses.

PRINCE RUPERT'S FIRST WEDDING WAS TWENTY YEARS AGO

In their twenty years ago column last week the Vancouver Province had the following:

"The first marriage service took place in Prince Rupert when Capt. H. L. Roberson of the tug Constance was wedded to Miss Marion Burton by Bishop Du Vernet."

FISHING OPENS

Sockeye fishing opened at midnight last night in District No. 2 but up to this morning no reports had been received as to the results of operations. Adam Mackie, fisheries inspector, was on the Skeena River. Reports as to the fishing are expected to be available before the end of the week.

A guide had been showing a party of visitors round a great picture gallery, and when they had been through all the rooms, he said:

"And now, ladies and gentlemen, if any one would like to ask a question I shall be happy to try to answer."

"Well," said a woman, "can you tell me what brand of polish they use to keep these floors so shiny?"

VICTORIA BOXER TO COME HERE?

MATCHING OF TOMMY FIELDING, CANADIAN LIGHTWEIGHT ASPIRANT, AND PERCY LAKE OF H.M.S. DURBAN, MOOTED

Ben Self is in receipt of a telegram from Joe Bailey of Victoria, formerly light weight champion of Canada and now identified with the Victoria Boxing Commission, stating that, if suitable arrangements can be made, it may be possible to match Tommy Fielding, prominent Victoria boxer and reputed aspirant for the Canadian lightweight title, with Percy Lake, champion lightweight boxer of the China station who will be here next month with H.M.S. Durban, in Prince Rupert during the warship's visit. Mr. Self is taking the matter up with the local unit of the Royal Canadian Naval Volunteer Reserve and it is possible that one of the most interesting boxing bouts here in years may ensue.

Since the suggestion was made a couple of days ago by the Daily News, general interest has been taken in the possibility of having a boxing tournament here during the light cruiser's visit and the prospect is that something along this line will be arranged. Already local boxing talent is being canvassed with a view to obtainting opponents for the men from the warship. It is felt that an outsider will have to be obtained for at least Percy Lake.

MEMBERS OF THISTLE FOOTBALL CLUB WERE GIVEN WEDDING GIFTS

At the conclusion of last night's football game between the Thistle and Regiment, a pleasant little ceremony took place in the clubhouse of the former team at Acropolis Hill grounds when presentations were made by S. D. Macdonald, president of the club, to Jimmy Andrews, team trainer, and John Murray, one of the players, both of whom were recently married. The gifts in each case were cut glass salad bowls. Mr. Macdonald made a suitable speech in presenting the wedding gifts and both recipients responded.

SOURCE OF ROOFING MATERIAL
