Brighten up with ALL-BRAN!

You've had days when you've felt discouraged and low. Nothing seemed to go right. Frequently these dreary days can be traced to common constipation, due to lack of "bulk" in your meals.

This ailment may cause headaches and loss of energy. Correct it by eating a delicious cereal.

Laboratory research shows Kellogg's ALL-BRAN provides "bulk" to aid elimination. ALL-BRAN also furnishes vitamin B and food-iron.

The "bulk" in ALL-BRAN resists digestion better than the fiber in fruits and vegetables. It is gentle—and often more effective. Isn't this natural food better than taking patent medicines—often harmful?

Two tablespoonfuls of ALL-BRAN daily are usually sufficient. With each meal, in chronic cases. If not relieved this way, see your doctor.

Brighten days with ALL-BRAN! Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.
