INSTANTLY YOU CATCH COLD

DO THESE 2 THINGS

1. Take two "Aspirin" Tablets. Make sure you get "Aspirin."

2. Drink a full glass of water. Repeat treatment in 2 hours.

Instead of using fancy priced "cold remedies" try the new-day cold treatment pictured here. Your own doctor will approve it. It will start easing the average cold or sore throat almost as fast as you caught it. The "Aspirin" you take will start combating your cold internally at once; if throat is sore, crush and stir 3 "Aspirin" Tablets in a third of a glass of water; gargle twice. Do not rinse mouth.

●"Aspirin" Tablets are made in Canada. "Aspirin" is the registered trade-mark of the Bayer Company, Limited. Look for the name Bayer in the form of a cross on every tablet.

The 65th Annual Statement of the

Sun Life Assurance Company of Canada

Reflects the Strength and Stability of Life Assurance

A voluntary co-operative enterprise which for generations has stood every test

HIGHLIGHTS OF 1935

ASSURANCES IN FORCE . . . Exceed Two Billion Seven Hundred Million Dollars. This is the amount which will be paid by the Sun Life as the policies now in force reach maturity. By thrift and foresight more than a million policyholders have provided, through Sun Life policies, for the support of their families in case of premature death and their own independence should they live to old age.

NEW ASSURANCES PAID FOR . . . Exceed Two Hundred Million Dollars for the year. During 1935 more than seventy thousand persons established estates by purchasing Sun Life policies, thus providing security for many thousands of homes.

POLICYHOLDERS AND BENEFICIARIES . . . Benefits amounting to Eighty Million Dollars were paid out—over Two Hundred and Eighty-five Thousand Dollars for each working day. Since the Sun Life commenced business 65 years ago, it has paid out to policyholders and beneficiaries well over Nine Hundred Million Dollars.

ASSETS . . . Of over Seven Hundred Million Dollars ensure that every Sun Life policy will be settled promptly when the time for payment arrives. In the meantime, this fund, invested on behalf of policyholders, contributes notably to national and industrial progress.
