MANY CHILDREN AT BIG RALLY SUNDAY SCHOOL

FOUR HUNDRED ADDRESSED YESTERDAY AFTERNOON BY SCRIPTURE UNION VISITOR

An impressive service was that yesterday afternoon in St. Andrew's Anglican Cathedral when children of all Protestant Sunday schools in the city gathered in a joint rally with probably about four hundred children in attendance. The service was opened by Archdeacon G. A. Rix and the main address was given to the children by S. V. Ware of the Scripture Union of Canada who is holding a revival campaign here. Other pastors present but who took no active part in the service were Rev. W. F. Price of First Baptist Church; Rev. J. R. Frizell, First Presbyterian Church; Rev. A. Wilson, First United Church; Rev. John H. Hansen, St. Paul's Lutheran Church, and Capt. Stobart of the Salvation Army. The children's choir of the Cathedral led in the singing.

Besides at the children's rally, Mr. Ware appeared in the First Baptist Church and First United Church respectively yesterday morning and last evening. He gave addresses at both services, explaining the objects of the Scripture Union and inviting new members to join.

Mr. Ware's campaign is continuing today with an afternoon meeting for children in First Baptist Church and a meeting this evening for young people in the same church. In order to unite with this rally, there will be no separate meetings tonight of the United Church Young People's Society or the Baptist Church Fireside Club.

PRINCESS ROYAL TO TAKE UP LOCAL RUN OF C.P.R. IN APRIL

According to advices received locally from the south, C.P.R. steamer Princess Royal will be here next month to permanently relieve the Princess Beatrice on the Vancouver-Ocean Falls-Prince Rupert and Skeena River cannery run of the B.C. Coast Steamship Services. Whether or not the Princess Mary, as originally reported, will eventually come on this run is not definitely known though, with the building of a new vessel for the West Coast of Vancouver Island service which is now proceeding, this vessel may possibly be available. It is reported to be the intention to scrap the Princess Beatrice which has given more than twenty years' service on the coast.

With the changing of boats, Stewart mining camps may also be given service by the C.P.R., it is said.

EFFORT BEING MADE TO REVIVE INTEREST AMERICAN BASEBALL

Youths to be Encouraged to Take Part in Game and Enter Competition Starting this Year

CHICAGO, Mar. 12.—Sandlot baseball suffering from the rapid inroads of golf and other sports, is to be stimulated by the American Legion, backed by financial and moral support from the major leagues.

Recognizing the need for more talent on the baseball diamond and certain that some of the best talent among youths is never found, the American and National leagues have voted to guarantee $50,000 toward developing the American Legion's plan to bring 100,000 youths into baseball competition each year through state, regional and national tournaments.

Under the Legion's plan, the United States will be divided into an eastern and western division. Each of these major divisions will be divided into ten smaller ones with several states in each group. The state champions will meet in elimination games at regional tournaments and the winners of each major division will meet annually for the national championship in a "little world series." Boys under 17 years will be eligible to play and the first series will be held this summer. The national champions will be guests at the major world series.

FOOTBALL LEAGUE PROVED ATTRACTIVE IN UNITED STATES

CHICAGO, Mar. 12.—Despite a shorter schedule and fewer players, the National Professional Football League packed nearly a half million spectators into its parks last season, President Joe Carr reported.

The total attendance—490,755—was an increase of more than 70,000 over the turnstile records of the previous season when 23 clubs played 130 professional games. Last season there were but 13 clubs and 93 games. Total admission receipts were not revealed.

From an attendance standpoint, Red Grange's New York Yankees and the Chicago Bears were the best drawing cards in the circuit, Carr said. The Yankees-Bears game here last fall drew 19,912 paid admissions.

Sammy Mandell will defend his lightweight title against Jimmy McLarnin of Vancouver, in a 15 round outdoor bout on May 1 under the management of Tex Rickard, according to indications. Eddie Kane, Mandell's manager, has practically accepted Rickard's offer and is now in Chicago in a final effort to convince Jim Mullen that the bout cannot be held in the Windy City under Mullen's promotion. Mandell has signed with Mullen and McLarnin has enrolled under Rickard's banner. Mullen declares he can name any opponent and now asserts he will match Mandell with Billy Petrolle. Kane insists he signed only for McLarnin and that if Mullen cannot land McLarnin, Mandell will be free to accept Rickard's offer.

Professional ice hockey will soon make its advent in San Francisco. A group of business men and sportsmen met there and elected the board of directors of the Pacific Coast Amusement Co., who will sponsor this form of sport. The company recently obtained an ice hockey franchise from the California Professional Hockey league which is affiliated with the National Hockey league. The hockey circuit in California will include San Francisco, Los Angeles, Hollywood, San Diego and Oakland and will correspond to the Pacific Coast league in baseball. The skating season would open in 'Frisco about November 3 and close April 1. The professional hockey season would open about December 4 and run for 16 weeks with two games each week.

Contenders or no contenders for the world heavyweight championship, Jack Dempsey will not meet Gene Tunney again for the heavyweight crown. The former champion made that declaration as he sat in the clubhouse of the Tijuana Jockey Club awaiting the bugle call for the eighth renewal of the Tijuana Derby. "Though Rickard apparently is in sore need of an opponent for Tunney, whom he has guaranteed a large sum for a match this summer, I will not be the one to go back and fight him," Dempsey said. "I'm through."
