NEW YORK CAR HERE

New York Man and His Family Visiting City After Transcontinental Drive

A big Lincoln touring car, bearing a New York licence plate and the dust of many miles of transcontinental travelling, is a rather unusal sight on the streets of Prince Rupert today. The car is that of A. H. Ehrenclaw of New York City who brought it in on last night's train from Hazelton after having driven across the continent accompanied by his wife and four children. They will proceed to Vancouver tonight aboard the steamer Cardena, taking the car with them.

Mr. Ehrenclaw would have welcomed the opportunity to have been able to say that he had reached Alaska in the course of his long trip but it was, of course, impossible to drive there and it would have taken too long to go north from here by boat although he was still considering doing so this morning.

This is probably the first New York licensed car ever to be seen here.

Timely Recipes

CHEESE SOUP

Four cups milk, 2 or 3 slices onion, 2 tablespoons butter, 2 tablespoons flour, 1 teaspoon salt, ⅛ teaspoon pepper, ¾ cup grated cheese, yolks of 2 eggs.

Scald milk with onion. Remove onion. Melt butter in top part of double boiler. Blend in flour. Add hot milk and seasonings and stir constantly until mixture thickens. Cook five minutes. Add beaten egg yolks. Cook one minute and add grated cheese. Beat with egg beater and serve at once. Egg yolks may be omitted but they make a richer and more delicious soup.

BUILDING IS AHEAD

Value for Year to Date More Than Twice That of Last Year Despite Light August

Building permits for the month of August in Prince Rupert amounted to the slim total of but $300 which, at that, was ahead of the $225 in August last year. So far this year permits have reached a total of $21,249 or more than double last year's $9,708 at a corresponding date.

Two permits were issued in August—one to V. Lewis for the construction of a workshed at a cost of $75 and the other to John Watson for repairs to his residence on Fifth Avenue East amounting to $225.

WHAT A WRECK CONSTIPATION MAKES

Constipation can dull your whole life. Headaches, poor complexions—tired, lifeless days are often the results. Also, many serious diseases.

Get rid of common constipation now with a ready-to-eat cereal—Kellogg's ALL-BRAN.

ALL-BRAN brings you the two things your system needs to act naturally: "bulk" and vitamin B to help tone the intestines.

Within the body, ALL-BRAN absorbs more than twice its weight in water—forms a soft mass, and gently clears the intestines of wastes. It acts naturally.

Pills and drugs seldom cure constipation. You just keep on increasing the dose and switching from one laxative to another.

Just eat two tablespoonfuls of Kellogg's ALL-BRAN every day, three times daily if needed. Serve as a cereal with milk or cream, or use in recipes. Sold by all grocers—made and *guaranteed* by Kellogg in London.
