MACLEAN AND TOLMIE SPEAK ON ELECTION

FORMER PREMIER BOWS GRACEFULLY TO WILL OF PEOPLE AND NEW ONE TRIUMPHANT

VICTORIA, July 19.—Premier MacLean's statement to the people of British Columbia follows:

"The electors have spoken and have chosen a Conservative Government. I have no fault to find with the decision. One thing that undoubtedly influenced the electors was the cry "It's time for a change."

The Premier said he had no regrets for the campaign, for Liberal candidates throughout the province had conducted a fight on a clean and healthy basis.

"If I had to go through the campaign again, I would do the same as I have done," the Premier said. He thanked the electors who supported the Liberal Government and all faithful workers who assisted the party's candidates throughout the province.

TOLMIE SPEAKS

It is a clear approval of the Conservative manifesto and its well defined promise for greater development and the attendant prosperity of the province along business lines for the development of the people of this glorious province. Hon. S. F. Tolmie said when commenting on the election. "I am placing my services, such as I am able to render, at the dispcsal of the people of this province, irrespective of their political allegiance."

MAY OFFER HIS SEAT TO PREMIER MACLEAN

MERRITT, July 19.—There is a possibility that Dr. J. J. Gillis, Liberal, who was elected in Yale with a majority of 1,000 votes, may resign his seat in favor of Premier J. D. MacLean, who formerly sat for this riding. This would allow the defeated Premier, who lost in Victoria, to become leader of the opposition.

CANDIDATES IN NEWS CAMPAIGN TO BE REWARDED

MUCH AS $150 A WEEK MAY BE RECEIVED DURING NEXT TWO MONTHS BY CONTESTANTS

There are in all probability few business men in this territory who will clear around $1,200 in the next two months. Certain it is that the average will not pick up from $400 to $600 a month this summer.

The Daily News is putting up over $4,000 in cash and motor cars to be given away in a few short weeks to men and women who will make some effort to help themselves.

There is about $600 a month these next two months for the man or woman who willl go out and do, and there are also prizes totalling hundreds of dollars in cash. Then after all that there is the 10 per cent cash commission for every active candidate who does not win one of the big prizes. You cannot lose.

BIG ENOUGH FOR YOU

If yoo were approached with a proposition whereby you stood to make up to $1,200 in the next few weeks you would stop short and think, wouldn't you. It doesn't make any difference as to your present position. The bigger you are the more you would think You would hear the proposition. You would consider it. If at all reasonable, you would take it. Of course you would.

Right now in these times, when men are thinking of the necessity for getting money, when men are trying hard to inchrease their incomes $1,200 is a sum to be desired, no matter who you are.

The News' two automobiles and cash prizes "Everybody Wins" campaign is just starting. It has been and still is slow. There should be at least as many active, real candidates as there are prizes. There should be more persons entered who know what real money represents, who have an idea of how big $1,200 really is in these days of readjustment.

NOT REALLY UNDER WAY

The Daily News' "Everybody Wins" campaign is big enough to interest the very biggest men and women in Prince Rupert and this territory. But what has been the result—everyone has been expecting everyone else in and few have entered to date.

The few candidates who are in so far have not produced much. Promises which do not produce votes and which do not win seem to be the prevailing spirit to date. Votes win, and votes alone will win. In this effort one counts his chicks after they are hatched and not the number of eggs that put under the hen. Get subscriptions and get votes.

Consider this as you would any business proposition. Outline your course of action—then go out and put it over. Are you big enough? Or are you hiding behind the screen of "not time enough"—"too busy on my job here to make from $860 to $1,200 in part time?"

NOW IS TIME TO ACT

Cut out the nomination coupon in this issue. Bring it or mail it to the campaign department now located at the News office. The campaign manager will be there to serve you. If it is not convenient to call, ask that a representative be sent to you. Don't delay—delays are dangerous. Make up your mind. Enter today, phone 534, for further information. Surely you must be interested in making more money than many of the most successful merchants in the city during the same period of time.

FISH PATROL BOAT SINKS

AMY S., BELONGING TO M. D. SULLIVAN OF JAP INLET, FOUNDERED OFF BANKS ISLAND

The fisheries patrol boat Amy S., 36 feet long and 9 feet beam, pokered with an 18 h.p. engine and owned by M. D. Sullivan of Jap Inlet, got in a tide rip while a northwest gale was blowing outside Banks Island off Norwegian Harbor about noon last Sunday and foundered in terrific seas. There was no insurance on the boat of which Mr. Sullivan was engineer and Capt. Sullivan, navigator. The crew of two managed to get ashore in a rowboat and McTavish was lost in the bush for twenty-four hours. Sullivan made Lawson Harbor in the Flying Spur.

TILDEN OUT TENNIS TEAM

Suspended for Writing Articles About Matches in Which he Was Playing

PARIS, July 19.—Tilden was suspended from the American Davis Cup tennis team on the ground that he wrote articles about London matches while playing in them, thus constituting professional conduct.

London and New York are all agog with indignation over the matter and the manager of the American team resigned after firing Tilden.

American Government Apologizes for Violation of Agreement in Regard to Patrol Off Florida

MIAMI, July 19.—A letter from the state department on record in the district federal court here making known the termination of the agreement under which United States coastguard boats were allowed to patrol waters of British possessions off Florida coast in search of rum runners, tendered an apology to the British government for a technical violation of the agreement and said that hereafter the dry fleet will remain five miles off the Bahama shores.

Return to the owners of two boats confiscated more than a year ago and liquor cargoes were ordered.

The agreement permitted American patrol boats to enter British waters only for the purpose of observing rum craft.

WASHINGTON, July 19.—The government having apologized to the British government for the illegal seizure of British ships in the West Indies waters, has cancelled the prosecution of their crews. The question arises whether Boatswain Christiansen and Pop Hesle of the American coastguard will be prosecuted under the American law or international law for misrepresenting the distance British liquor laden ships were from shore and stealing cargoes for their own use. Nesle has already served time in an English prison.

The case has stirred up much international indignation.

Pattullo Probably Elected in Prince Rupert and Manson and Wrinch Also Go to Legislature

With sixteen small polls to yet hear from, the majority of Hon. T. D. Pattullo, minister of lands, over James H. Thompson, his Conservative opponent, today, stood at 88, indicating that the local minister will very probably survive the Conservative landslide which swept the province yesterday. The total vote stood today at 1222 for Pattullo and 1134 for Thompson. Polls yet to be heard from are Aliford Bay, Banks Island, Baxter's Camp, Cumshewa, Georgetown, Hippo Island, Jap Inlet, Jedway, Lockeport, Oceanic, Oona River, Osland, Refuge Bay, Sandspit, Thurston Harbor.

The city of Prince Rupert gave Pattullo a majority of 82 which it was hardly expected would be offset in the outside polling divisions.

With Mr. Pattullo, Hon. A. M. Manson, attorney general, whose election in Omineca was conceded last night with a majority of some 200 votes, and Dr. H. C. Wrinch, who is assured of election in Skeena with a majority of at least 100, were returned to the legislature as Liberals from the north while H. F. Kergin, in Atlin, and H. G. Perry, in Fort George, were both lagging, the indication being that the Conservatives, T. W. Falconer and F. P. Burden, would probably win those ridings.

Following were the Prince Rupert riding polling divisions which had transmitted their results last night:

	Pattullo	Thompson
Buckley Bay	2	3
Haysport	14	7
