LARGE CROWD AT CHRISTMAS TREE

Terrace People All Gather For Community Event and the Young People Enjoy Fun

TERRACE Dec, 24—The Community Christmas Tree was held here on Friday evening and undoubtedly drew the largest crowd ever gathered under one roof in Terrace.

The G.W.V.A. Hall was gaily decorated with evergreens and Christmas decorations and an attractive Christmas Tree added to the effect.

A good program was rendered by the children, A. Holmwood acting as chairman.

In preparation for the event a number of ladies in the community met in the afternoon and prepared about two hundred and seventy five generous parcels all of which Santa Claus delivered following the program. He created much mirth and enjoyment among the kiddies with a very witty speech and with his humorous rhymes and jingles.

During the evening, drawing took place for the turkey which had been donated and raffled by A. Olson in aid of the Community Tree funds. The lucky ticket was held by Nagel Sherwood.

After Santa's departure the floor was cleared and the children enjoyed about two hours dancing to voluntary music furnished by J. McLaren's augmented orchestra.

The following was the program rendered:

Chorus—"O Canada," School.
Song Dance—"Robin Redbreast," Boys of Division II.
Recitation—"Vespers," Charlie Houlden.
Doll Dance, Girls of Div. II.
"Upside Down Drill," Pupils of Div. III.
Duet, Annie Allan and Janet Young.
Song Dance—"Daff O'Dill," Ina Smith and Lorraine Kenney.
Chorus—"Silent Night," School.
Recitation— "When Papa's Sick," Joyce Cole.
Sing Song, C.G.I.T.
Dialogue—"Harry's Pockets," Clara Little and Wilfred McLeod.
Trio Song—"We Three Kings of Orient Are," Harry and Kenneth Attree and Charlie Prosser.
Recitation—"Christmas Stocking," Buster McCulloch.
French Song—"Nowell," High School Girls.
Recitation—"Nae Folk Like Oor Folk," Lorna Christie.
Burlesque, High School Boys.
Tableau—"The Living Christmas Tree," Girls of Div. 1.

STRAWBERRY CULTURE

The strawberry is the most important of the small fruits of Canada. It is found wild throughout the Dominion from the Atlantic to the Pacific and from the International Boundary to as far north at the 64th parallel. The cultivated varieties are grown successfully nearly everywhere that wild one is found.
