Helps END A COLD Quicker

The 3-Minute VapoRub Massage

Massage VapoRub briskly on the throat, chest and back (between and below the shoulder blades). Then spread it thick over the chest and cover with warmed cloth.

Almost before you finish rubbing, VapoRub starts to bring relief two ways at once—two *direct* ways:

1. Through the Skin. VapoRub acts *direct* through the skin like a poultice or plaster.

2. Medicated Vapors. At the same time, its medicated vapors, released by body heat, are breathed in for hours—about 18 times a minute—*direct* to the irritated air-passages of the nose, throat and chest.

This combined poultice-and-vapor action loosens phlegm—relieves irritation—helps break congestion. While the little patient relaxes into comfortable sleep, VapoRub keeps right on working. Often, by morning the worst of the cold is over.

Avoids Risk of Stomach Upsets

This safe, external treatment cannot possibly upset the stomach, as constant internal "dosing" is so apt to do. It can be used freely, as often as needed, even on the youngest child.

Now White—Stainless

Thanks to a new process, VapoRub now comes to you in white *stainless* form. Only the color is removed; it is the same VapoRub—the same formula and the same effective double action.

VICKS VAPORUB

Mothers! Look in your VapoRub package for full details of Vicks Plan—a practical home guide to greater freedom from colds. In clinic tests among 17,353 people, this Plan cut sickness from colds *more than half!*
