NIGHT COUGHING CAN OFTEN BE PREVENTED

If your child often coughs at night because of even a slight cold—do this at bedtime: Thoroughly massage Vicks VapoRub on throat, chest, and back. VapoRub's poultice-vapor action tends to keep the air-passages clear, helping to maintain normal breathing through the nose, and so reducing mouth-breathing (the frequent cause of night coughs). Try it tonight—learn for yourself another reason why VapoRub is a family standby in more homes than all other medications of its kind put together.

Urges Aid For Those Redeemed

Practical Helpfulness Advocated By Presbyterian Pastor In Sermon Sunday

An attitude of practical helpfulness and acceptance in the community of those who might have transgressed in the past but who would now follow in Christ's way was appealed for by Rev. H. G. Funston in his sermon at morning service yesterday in First Presbyterian Church. Too few, the pastor feared, actually believed in the possibility of redemption and were willing to accept persons who might have erred but now chose to go the right way. He referred to the case of a great manufacturer who, in engaging men, said he was not interested in what their past might have been but rather in their future. Too much commercialism at this Christmas season was deplored by Mr. Funston who urged more of the real Christmas spirit.

MARKET IS 'XMAS-LIKE

Yuletide Stocks are Making Retail Stores Very Attractive—American Mandarin Oranges

Local retail stores now have their Chirstmas stocks all in and present a very seasonable appearance with numerous attractive offerings for housewives who are making their preparations for the festive season.

Mandarin oranges from Florida, Mississippi and Texas are an interesting new fruit as far as the local market is concerned. California mandarines will also be coming soon. The real Japanese oranges are also available but quite a number of people are inclined not to favor them.
