GOOD BILL ON SCREEN

Pictures of Capture of Shanghai In Addition to Two Features At Capitol Theatre

"Thunder in the City," featuring Edward G. Robinson in a new type of dramatic role, and with Luli Deste, new Continental star playing opposite him, and "It's All Yours," a romantic comedy with Madelaine Carroll and Francis Lederer, comprise a double bill program at the first of this week at the Capitol Theatre. In addition, an item of outstanding interest on the program is a newsreel containing amazing scenes at close hand in connection with the recent capture of Shanghai in the Sino-Japanese war.

"Thunder in the City" is the story of an American super salesman who goes to England to take a course in business. There he meets and falls in love with a titled girl and institutes a sensational sales campaign. His attempts to take over a Conservative Englishman in a huge business deal provide much excitement.

In It's All Yours," Madeleine Carroll, playing her first straight comedy part, has the role of a girl who inherits several million dollars and starts out to spend it recklessly in ritzy hotels and play places. In addition to Lederer, the cast also includes Mischa Auer, J. C. Nugent and Grace Bradley.

WAKE UP YOUR LIVER BILE—

And You'll Jump Out of Bed in the Morning Rarin' to go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless and gentle, they make the bile flow freely. They do the work of calomel but have no calomel or mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.

Anxiety Felt For Seattle Couple After Coast Cruise—Building Fuel Tank—Surf Inlet Salvage Job.

Anxiety is entertained for the safety of Mr. and Mrs. John W. Rossick of Seattle who have not been heard of since October 28 last when they mailed a postcard at Butedale while on the way south after a cruise to Alaska in their small power cruiser. They said in the card that they expected to reach Seattle within three of four weeks but they had not arrived there up to a few days ago. The couple left Seattle early last summer on a vacation and fishing trip to Alaska and made the trip north without incident. They started south from Port Alexander on October 10.

C.P.R. steamer Princess Adelaide, Capt. S. K. Gray, and C.N.R. steamer Prince John, Capt. Neil McLean, delayed their sailings Friday night from the old year to the new. The Princess Adelaide, ordinarily scheduled to sail at 10 p.m., waited until shortly after midnight before leaving for Vancouver. The Prince John, scheduled to leave at 10:30 for the Queen Charlotte Islands and Vancouver, did likewise.

Making good time in spite of an extra call at Ocean Falls with passengers, Union steamer Catala, Capt. John Muir, arrived in port at 8:10 last evening from the south and sailed a couple of hours later for Stewart, Anyox and other northern points whence she will return here tomorrow southbound.

The Canadian-Australian freighter Wairuna is at present at Ocean Falls loading a cargo of paper for Australia. Capt. Joseph Flodd and Capt. William Mounce are pilots of the vessel.

Workmen who arrived from Vancouver at the end of the week have started construction of a large fuel storage tank which will be part of the plant being established by the Standard Oil Co. of British Columbia on the local waterfront just east of the mouth of Cow Bay. Good progress is being made by Mitchell & Currie with the construction of the buildings and the Armour Salvage Co. should be getting started soon with the putting in of the wharf.

C.P.R. steamer Princess Norah, Capt. William Palmer, is due in port at 3:45 this afternoon from Skagway and other Alaska points and will sail at 5:30 p.m. for Vancouver.

NEW YEAR MATINEE

Big House Enjoyed Special Entertainment at Capitol Theatre Friday Night

The New Year's Eve special matinee at the Capitol Theatre Friday night was one of the most successful events of its kind which has been held to date. A crowd which filled the house almost to capacity derived full enjoyment from a specially arranged stage and screen program. The feature of the program was the colorful New Year tableau in which dainty little Benita Windle burst forth on the stage from a huge champagne bottle in characterization of 1938 after which there was singing of "Auld Lang Syne" and the little New Year girl went into a tap dance.

On entering the theatre the patrons of the midnight matinee received novelties in the form of caps and noisemakers. The Capitolians' Orchestra, under direction of Dr. H. N. Brocklesby, played opening music and there was also community singing. The stage show, with manager D. G. Borland as master of ceremonies, included accordian and saxophone duets by Mario and Guido Bussanich; tap dance, "Three Little Maids in Blue," Monica Holtby, Maurissa Windle and Lois Thompson; vocal solo in character costume, "The Cobbler Song" ("Chu Chin Chow") Dr. R. G. Large; xylophone solo "Doll Dance," George Rorie; skirt dance, Patricia Love; comic dialogue in costume, "Eb and Zeb," Jack Dougherty and Bruce Stevens introduced by Jack Stevens and D. G. Borland; rube dance, Sonny Boulter; selections by Sam Leslie's family pipe band dedicated to W. H. Wilson Murray, and illuminated club swinging by Orme Stuart. After the drawings for csah prizes, the feature picture "Music for Madame," starring Nino Martini, was presented.

Synopsis of Land Act

PRE-EMPTIONS

VACANT, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation and improvement.

Full information concerning Pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C.; Bureau of Provincial Information, Victoria, or any Government Agent.

Records will be granted covering only land suitable for agricultural purposes within reasonable distance of road, school and marketing facilities and which is not timberland, i.e., carrying over 5,000 board feet per acre east of the Coast Range and 8,000 feet per acre west of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, on printed forms obtained from the Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

Pre-emptions carrying part time conditions of occupation are also granted.

PURCHASE OR LEASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes. Minimum price of first-class (arable) land is $5 per acre, and second-class (grazing) land, $2.50 per acre. Further information is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

As a partial relief measure, reverted lands may be acquired by purchase in ten equal instalments, with the first payment suspended for two years, provided taxes are paid when due and improvements are made during the first two years of not less than 10% of the appraised value.

Mill, factory or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtained after residence and improvement conditions are fulfilled and land has been surveyed.

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

Under the Grazing Act the Province is divided into grazing districts and the range administered under grazing regulations amended from time to time to meet varying conditions. Annual grazing permits are issued based on certain monthly rates per head of stock. Priority in grazing privileges is given to resident stock owners. Stock-owners may form associations for range management. Free or partially free permits available for settlers, campers and travellers, up to ten head.
