is fast running out of predictions and Stanley Cup games. "I've got to win one game in Montreal," the Toronto Maple Leaf coach said before the Leafs-Canadiens best-of-seven started in Montreal last week. Now, two games and two losses later, he says that if Canadiens don't smarter up his heroes will square the series at home.

Canadiens slipped into town almost unnoticed Monday night and were quiet but confident they would wrap up the series in two more games.

ayover brought an angry outurst from Kromm last week when he charged the Canadian Imateur Hockey Association was '"babying" eastern clubs in set-

ting Allan Cup playoff dates. Kromm said western clubs habitually meet their playoff deadlines and then are forced to "cool heir heels" while Eastern Canadian playoffs are dragged out. CAHA officials, who originally set April 18 as the tentative Allan Cup series starting date, said playoff protests have delayed

his year's eastern schedule. Delayed or not, Trail will reach the Allan Cup finals for the first time since the 1937-38 season That season they went on to capture the Canadian finals ar later the world championship. Playing at home, they are expected to be slight favorites reigardless of whether they meet

Scalp Specialist Here To Demonstrate New Home Treatment

Now is the time to carry out that long delayed resolution to "do something about your hair." For tomorrow, April 13, is "Save-Your-Hair Day" in Prince Rupert. The event is sponsored by Harrison Hair and Scalp Specialists, largest organization of its kind in the dominion. Trichologist M. D. Harrison is in charge. He is here to personally examine hair-worried men and women from 1 p.m. to 9 p.m.

The Harrison program for preventing baldness by home treatment is explained by director M. D. Harrison this way: "Almost two million Canadian men are already bald or soon will be. How many women are bald, no one can estimate. Certainly all of these men and

women regret their condition. CAN PREVENT BALDNESS

"The shocking truth is that most of these bald people need not have lost their hair. Although baldness can not be 'cured', it can most certainly be prevented. Our Harrison trichologists have developed methods of self-administered home treatments that are successful

95% of the time." This dynamic young hair expert, whose main office is in Vancouver, has personally worked on the hair problems of thousands of men and women for 17 years. But he still can't understand why almost everybody postpones getting special-

ized help for their hair. DON'T PUT IT OFF
