St. David's Day Tea Is Success

Fine Affair by Baptist Ladies' Aid At Home of Mrs. Bert Morgan

Highly successful was the St. David's Day tea and sale of home cooking held yesterday afternoon at the home of Mrs. Bert Morgan, Leeds Apartments, by the Ladies' Aid of First Baptist Church. The attendance was unusually large, there being a steady flow all afternoon of guests who were received by Mrs. Morgan and the president of the Aid, Mrs. J. A. Lindsay.

The rooms were appropriately decorated with daffodils, leeks and the Welsh flag which was prominently displayed.

Mrs. Norman Fraser and Mrs. C. O. Campbell presided at the tea table which was covered with a beautiful cutwork cloth.

Mrs. E. E. Brandt and Mrs. H. M. Daggett were in charge of the home cooking table and Mrs. E. Alder was cashier.

Others assisting during the afternoon were Mrs. Frank Morris, Mrs. Jack Armstrong, Mrs. David Ritchie, Mrs. D. Orchard McLeod and Miss Molly Owens.

TAKE THE "LEAD" FEELING OUT OF YOUR LEGS
Get More Oxygen In Your Blood and Get the Pep that Sends You Bounding Up the Stairs
People who smother to death die because oxygen has been completely cut off from them. Just as surely you are slowly smothering if your blood lacks red corpuscles. Red corpuscles are your oxygen-carriers. They carry the oxygen you breathe in to every part of your system. Without enough oxygen-carrying corpuscles, your kidneys, liver, stomach and bowels slow down. Your skin gets pale, flabby, often pimply. Your nerves may become jittery — you tire quickly — feel depressed.
What you need is Dr. Williams Pink Pills. These world-famous pills help make more and better red corpuscles and thus increase the oxygen-carrying power of your blood. Get Dr. Williams Pink Pills today at your druggist. See for yourself how quickly this time-proven blood-builder will help give you back your pep. Copr. 1938, G. T. Fulford Co., Ltd.

I'm no millionaire!
—but I've borrowed from the bank for years
How? By meeting the simple requirements a sound banker asks from any borrower, no matter who he is.
First, he wants to know what the money is to be used for. That's reasonable; and I tell him quite frankly all the details.
He wants to know how I propose to pay the money back. So, I give him a list of all outstanding bills, current expenses and my income. That gives him a clear picture of how I stand.
He wants to know where I work and how long I've held my present position. He asks for security. Naturally. He's lending depositors' money, that must be paid back on demand.
And if I happen to have no security he often lends me money on my own note of hand, with one responsible endorser—because we've done business together for years.
That's all there is to it! I have always kept my side of the bargain, paid back as agreed, and established a line of credit that often proved useful when cash was badly needed.
