## WILL BUILD NEW ROAD TO COAST

Announcement Made at Montreal of Line from Hudson's Bay to the Pacific

Montreal, Nov. 9--The announcement is just made here of the arrangements to construct a railway from Hudson Bay across the Peace River district and through to the Pacific Coast by the Alberta Peace River & Eastern Railway. The company has behind it some of the best names in England, such as Rt. Hon. Lord Farrar, Rt. Hon. Lord Vivian, Rt. Hon. Guy G. Wilson, Jas. Millington and others, besides Francis Cochins, of Amsterdam, Holland.

The company will proceed to build four hundred miles of line immediately the snow is off the ground, the first portion of the road being in the Edmonton-to-Peace River country. J. H. Williams, the company's engineer, is already out in that section. The company has in view a colonization scheme and intends eventually to establish a line of steamers across Hudson Bay to England for taking the wheat crop out at the end of the season. The group is practically a new one in Canada.

Bonus in Australia Will Reach Huge Sum--Parliamentarians Invited to Extend Trip.

Sydney, N.S.W., Nov. 6--It has been decided to invite the imperial parliamentarians, who are to visit Canada in August next, to extend their visit to Australia.

A new expenditure of \$5000 a day is anticipated by the Federal treasurer in connection with the bonus for babies.

The Lord Mayor, Alderman Allan Taylor, has suggested that the city of Sydney discard the rate now imposed on improved or rental value, and instead impose an all round rate of four pence (eight cents) in the pound on the unimproved capital value.

The estimated cost of the bridge which it is proposed to build to connect North Sydney with the City of Sydney, is \$2,500,000. The bridge is designed to accommodate four lines of railway.

Mr. Winston's Churchill's utterances at the Cutlers' Feast in England that "We must hold what we now hold, and must unite and consolidate the Empire," meets with general approval here.

The Sydney Evening News say that the remarks may be well taken to heart by Britons overseas.

The request in a petition presented to the New Zealand parliament that the government release the Waihi strikers has been refused.

## DEATH HOVERS ABOUT A NEGLECTED COLD

Statistics tell of the awful ravages of colds in the Fall Season. Trifling at the outset, serious in a few days, fatal in the end.

Carelessness in dealing with colds is a criminal dallying with death. Fight the cold at its inception and it is vanquished.

Tar is a great healing agent, one of the oldest, surest, safest known. Cod Liver Oil has world wide use for all weakening and wasting diseases.

Mathieu's Syrup of Tar and Cod Liver Oil is the most scientific combination of these two remedies and is the greatest cold preventing and cold curing remedy ever known. Its benefits are instantaneous, its results are marvellous. Large bottle costs only 35 cents.

When headache and fever are present with a cold take Mathieu's Service Powders to reduce the fever and allay the pain. Both preparations are sold by dealers everywhere.
