CAMPAIGN SUCCESS

Demand For Apples Strong And Prices Firm—Stores Have Christmas Appearance

The success of the federally sponsored drive to market Canadian apples in view of the collapse of the overseas market due to war conditions and the arrangement of exports to Australia has made the demand so strong that prices are now going up and will probably continue to do so.

Orange prices are very reasonable, the duty on this fruit having been removed a month earlier than usual this year. The crop is uniform and case prices for all sizes are the same.

Japanese oranges are not moving freely as there is still a definite sentiment against them. Florida satsumas are arriving in large quantities and are accepted as a suitable substitute in spite of the higher price.

Local retail stores are very Christmassy in appearance these days. There are no large stocks of Christmas delicacies on hand, particularly imported lines.

In the meat markets buffalo meat from the annual kill at Wainwright Park is being featured and is popular as usual.

Whifflets

From The Waterfront

Seineboats operating at the head of Prince Rupert Harbor took 130 tons of fish yesterday morning. The herring are still running low and in small schools so substantial catches cannot yet be made.

John Currie, local contractor, left at the first of the week for Stewart where he has obtained a contract from the federal department of public works on rebuilding of the Marmot River dock.

C. N. R. steamer Prince Rupert, Capt. H. E. Nedden, arrived in port at 9:30 this morning from Vancouver, Powell River and Ocean Falls and sailed at 2 o'clock this afternoon for Ketchikan and Stewart whence she will return here tomorrow evening southbound.

Major W. R. R. Armitage, dean of Christ Church Cathedral at Vancouver, who is organizing chaplain services in British Columbia for the first Canadian Expeditionary Force, is a visitor in the city, having arrived from the south on the Prince Rupert this morning and will leave tomorrow night on his return south. Major Armitage is senior Protestant Chaplain for Military District No. 11.

Cambrai Chapter Has Dinner Meet

Regular Monthly Gatherings Will take This Form in Future, it is Decided

Henceforth regular monthly meetings of Cambrai Chapter, Imperial Order, Daughters of the Empire, will take the form of dinner meetings. The first was held last night at the Boston Cafe with the regent, Mrs. Sidney Elkins, in the chair and thirty-four members present. War work of the chapter was the principal matter of business. A raffle of pillow cases resulted in Mrs. Titcomb winning.

Canada At War 25 Years Ago

By the Canadian Press

Dec. 12, 1914—Sir Wilfrid Laurier, Liberal leader and former premier, emphasized there must be "no drawing back" in the Empire's fight against German aggression and ideals. Turkish troops abandoned Beirut in Syria, fearing allies' advance.

Mrs. Olof Hanson arrived in the city on last evening's train from Smithers and will be here for several days.

SMITHERS

Nominations for commissioner to fill the vacancy caused by the expiry of the term of Charles Morris on the board of village commissioners was held Monday when Returning Officer W. S. Henry waited at the Village Hall for aspirants to the office to file their nomination papers. The only papers put in were those of Mr. Morris himself and he was declared re-elected by acclamation. Mr. Morris has served for many years on the board and has turned in a record for length of service as a commissioner for the town.

Provincial Constable Andrew Grant met with an accident while on duty out in the country Monday. He fell and injured his hip and leg and was brought in to the Smithers hospital where he is now resting comfortably.

A number of veterans left Smithers Tuesday to go to Hazelton where they will join other men and take over the duty of guarding the Skeena Crossing bridge in the next few days. The soldiers who have been on the bridge for past few months will depart for other locations and duties.
