BODY POISONS MENACE HEALTH

Kellogg's ALL-BRAN Will Rid Your System of Them

By neglecting constipation, body poisons get in their deadly work. Headaches, listlessness, cloudy complexions, which are the first signs, soon are followed by factors that wreck health, ruin ambitions and steal beauty.

You can guard against constipation with a simple remedy — Kellogg's ALL-BRAN. It is a delicious cereal — 100% bran — that brings sure, natural relief from this widespread evil. Doctors recommend ALL-BRAN because it is a bulk food. It sweeps the intestines clean of poisonous wastes and stimulates normal action.

Results are guaranteed. Just eat two tablespoonfuls daily—chronic cases, with every meal. Serve it with milk or cream, fruits or honey added. Sprinkle it over other cereals. Use it in cooking—recipes are on the package.

Don't neglect constipation. Begin eating ALL-BRAN today. Sold by all grocers. Served in hotels, dining-cars and restaurants. Made by Kellogg in London, Ontario.

"PINKHAM'S COMPOUND IS WONDERFUL"

Read This Letter from a Grateful Woman

Vanessa, Ont.—"I think Lydia E. Pinkham's Vegetable Compound is wonderful. I have had six children of which four are living and my youngest is a bonnie baby boy now eight months old who weighs 23 pounds. I have taken your medicine before each of them was born and have certainly received great benefit from it. I urge my friends to take it as I am sure they will receive the same help I did."—MRS. THIRD CONTEST IN ORATORY IS ON WEDNESDAY

Local Boy to Be Contestant Against Powell River Lad Here

Prince Rupert has been chosen as the venue of one of the semi-finals in the third annual oratorical contest. For the purpose of selecting the champion orator of British Columbia, the province has been divided into eight districts, and in most of these the district champion has already been decided upon. On Wednesday night, at 9 p.m., through the courtesy of the managing director of the Capitol Theatre, A. Easson, Robert Glenn Irvine of Prince Rupert High School and Arthur Richard Button of Powell River High School will vie with one another in the realm of oratory to decide which of them will represent Northern and Central British Columbia in the finals to be held in Vancouver on May 3. The winner of the finals gets a free trip to Toronto with all expenses paid, to fight for the honor of becoming the champion orator of all Canada.

It should be remarked here that the sponsor of the contest in B. C. is the "Vancouver Sun" and that all the expense involved in the elimination contests and in the final contest itself—and this can be no mean sum—is being wholly borne by the management of this newspaper. It reflects much credit and honor on this newspaper that it has seen fit to evince such unselfish interest in fostering public speaking, a branch of higher education which is too little known and often neglected. No man can be a real orator without something real to talk about—it may be a great cause or a great country—and no man can have something substantial to talk about unless he is first a student and a thinker. Canada has urgent need of such as these and the time to develop the power of oratory is the heyday of youth.

A. A. Easson has kindly consented to act as chairman of the proceedings; the judges will be Bishop G. A. Rix, Rev. J. B. Gibson, L. W. Patmore, P. H. Linzey and T. H. McAllister.

The method of judging is that adopted by the Toronto committee in the all-Canada finals and there is no possibility of a tie.

The director of the oratorical contest in B. C. is Miss Myrtle B. Patterson of the "Vancouver Sun" who has spared no time or trouble in order to make the contest a great success and who is responsible for all the admirable and thorough arrangements made.

The chairman and organizing secretary of the local district committee is Principal T. Peddie of the High School.

Was Bothered With Severe Headaches Is Not Troubled Now

Mrs. James Rossiter, Riverside, N.B., writes:—"I was bothered with severe headaches, for years, and tried many different medicines, but to no effect. One day a friend told me about

BURDOCK BLOOD BITTERS

and after I had taken three bottles I found it had done me a world of good. Now I don't know what a headache is like. I certainly have great faith in Burdock Blood Bitters."
