This afternoon's train, due from the east at 3:30, was reported this morning to be on time.

Inspector William Spiller, provincial police, who has been on a ten day holiday trip to Vancouver and Victoria, is expected to return to the city from the south on the Prince George Saturday morning.

C. N. R. steamer Prince John, Capt. E. Mabbs, is due in port at midnight tonight from Vancouver via all Queen Charlotte Island points and will be here until 10 o'clock Saturday night when she will return south over the same route.

Col. Peacock, field secretary of the Salvation Army for Canada West, and Mrs. Peacock are returning to the city on this afternoon's train from Glen Vowell, where they have spent a couple of days visiting the corps at that point, and, after conducting a meeting this evening in the local Citadel, will sail aboard the Prince Rupert for Vancouver whence they will proceed to their headquarters in Winnipeg, stopping off at various prairie points en route.

ELEVATOR IDLE

A virtual tie-up now exists at the Alberta Wheat Pool's Prince Rupert Elevator, with no grain coming in and none moving out. There is no suggestion as yet as to when the first ship of the season may be expected here to load.
