Man in the Moon

Turn out, turn out, yet Ruperites
And let the Permier know
The railway from the Peace should come
And here the grain should flow.

Let every man and woman do
The best that in them lies
To have that grain for Orient
Go direct as crow flies.

Here's another week-end coming and no Monday early rising to follow. That's something to be thankful for.

Say it with flowers,
Say it with sweets,
Say it with kisses,
Say it with eats.
Say it with jewelry,
Say it with drink,
But always be careful
Not to say it with ink.

"Did the children behave when you bathed them?" asked the mistress of the new French nurse.

"All but ze biggest boy—and, mirableu!—how he fight and kick an nearly tear ze face off before I could get him in."

"Which biggest boy—we've only one boy, and he's only two years old?"

"Eet is no him at all. I mean, 'Tis a boy who wears glasses an, has ze curly hair."

"Boy! Boy! That's not a boy! That's my husband!"

Headquarters For Boy Scouts Will Begin This Week

VICTORIA, Nov. 8.—Construction of a headquarters building for the Boy Scouts in Victoria on property on the north side of Johnson St., between Vancouver and Cook Sts., donated by the City Council, has commenced.

The permanent headquarters, when completed, will be the centre from which the whole Boy Scout movement on the southern end of Vancouver Island will radiate. The building will be utilized for meetings of the various Scout troops in the city proper, and will be available for interclub gatherings of city Scout troops and troops from towns and cities outside of Victoria.

John McHugh, fisheries department engineer, sailed by the Prince Rupert last night for Vancouver after having spent a few days here on official duties in connection with the building of the new annex to the Prince Rupert Fisheries Experimental Station.
