POLYANNA

Polyanna looked on the bright side of everything. She saw good in everything. No matter how bad the storm, how terrible the sickness, how abject the poverty, there was always a bright side to the picture. What a difference between Pollyanna and the modern politician who trades on jealousy as his chief stock in trade. If anything goes wrong, with many of the politicians it is the result of the capitalistic system. They try to make those who have failed to make good jealous of those who have been progressive. Everything they do and say is designed to rouse this jealous feeling. They do not realize that, if all people were failures, there would be no wealth in the world to divide. Better by far be a Polyanna, seeing good in everything than a perverted pessimist seeing nothing but evil in the world. The evil is mostly in the eyes of those who look for it.

A WONDERFUL THING

What a wonderful thing it is that we Canadians have a right to elect any person we wish to represent us in Parliament. This right has been won for us over a period of a thousand years of struggle. Yet there are some who would change all this in a day by making us once more subject to the dictatorship of the proletariat. There are also some who would wrest our liberties from us by making us subject to fascistic regulations.

Toward the end of the month we shall all go to the polls and use our best judgment in making choice of members. We are favoring the return of our former member Olof Hanson but others hold different opinions and they are fully entitled to them. There is among others a candidate from Terrace who served in the last war and who is asking for our suffrages. We all have the right to make a free choice. That is democracy. Let us treasure it. We are not suggesting that Hanson is the only democrat. That would be untrue. What we may suggest is that Liberals have been the democrats through the ages. Occasionally they have been rebels but only when they were opposed to autocracy.

CHATTER OF CAGE GAME

Intermediate Championships in Offing—Ocean Falls and Premier

Friends of the Intermediate teams in the city's basketball circles will be interested to hear that they will be able to see their teams in action soon playing for the championship of the city. Metlakatla is to be invited to play off with the local teams and, should the village win, it will carry the Intermediate Cup emblematic of the championship of the city home for the year. In the city there is the High School, coached by Walter Ferguson, Ben's News Stand, coached by Sonny Beynon, Standard Oil Star and George Viereck and his Seal Cove team. This should create no small measure of enthusiasm among the players as they have been practising all season without any actual competition except when they show on the occasional intertown card.

Tonight the Standard Oilers will take on Ben's boys in a regular practice game at the Exhibition. The Oil men are now getting into shape for the championship series with Ocean Falls team this month. The tickets for the series will be on the street this week and it is expected there will be larger crowds than turned out for the series with Ketchikan.

The return games of the series will be played in the paper town sometime later than the games here. Due to the gymnasium at the Falls being used as a theatre also the boys cannot play there on Friday and Saturday as planned and will have to leave here on a Tuesday and return on a Friday's boat. This makes the trip a little tougher for players off work to travel south. As it was they intended to miss only Friday and Saturday arriving home on the Sunday but now they will miss the half-day on Tuesday all of Wednesday, Thursday and Friday.

Sonny Styles is enquiring from the south all about the dates, etc., of the games both here and in Ocean Falls. This makes it more apparent that he will be with the team for at least two games. There is a little doubt as to whether Morgan, Dominato and Houston will be able to leave town due to their respective duties—Morgan in the printing line, Dominato in the machine shop business and Houston in the Army.

Word has been received from Premier of its willingness to entertain the boys this year as usual but, as the games will mean nothing more than a two-game series at the Mine the locals have declined the offer and will now concentrate on the series coming up.

New Track Record for Santa Anita—Kayak Second and Wichee Third

SANTA ANITA, March 5. (CP)—The C. S. Howard horse Sea Biscuit, in winning the Santa Anita classic Saturday, covered the distance in two minutes and one and one-fifth seconds, one-fifth of a second better than the previous record of two minutes and one and two-fifth seconds made last year by Kayak II.

Wichcee, the horse of Major Austin Taylor of Vancouver, led a good deal of the way after the start of the race but, just before the stretch, Sea Biscuit took over the lead and drew ahead during the stretch, finishing a length and a quarter ahead.

The most sensational spurt was by Kayak II, which was far behind at one stage of the race.

Eleven horses ran.

The winner and the runner-up both belong to C. S. Howard.

SPORT CHAT

New York Rangers, by winning over Chicago Black Hawks in Chicago Sunday night after playing a one-all draw with the Maple Leafs at Toronto Saturday night, moved out into the leadership of the National Hockey League with a three point margin over Boston Bruins who were defeated 6 to 3 by the Detroit Red Wings at Detroit Sunday night. It looks like the Rangers should now be able to cop first place in the standing although Boston will have a chance to recoup itself again tonight when the Bruins play at home with the Red Wings.

Sports editor and columnist of the Toronto Daily Star, Lou E. Marsh died four years ago yesterday after a brief illness. Noted as a boxing and hockey referee and an authority on most sports. Marsh was 58 years old when he died. He had joined the staff of The Star when he was 12.

A complaint familiar to rugby fans of today was voiced 16 years ago when C. E. Chown of Winnipeg, that day named president of the Canadian Rugby Union, urged adoption of uniform rugby rules for all Canada.
