FAIR WEEK

Visitors to The Fair

Visitors to the Fair—This is a good shopping place and a good shopping time. We urge all to look over the advertisements in this paper both on this page and others and call on as many of the merchants as possible.

Prince Rupert merchants compete favorably with business houses anywhere on the continent. You see what you get when you buy from them. Why buy a pig in a poke when you can get the best of service and goods in the Prince Rupert stores. Give them a trial. They will all be glad to meet you.
