Ask Your Neighbors

"I was all run-down, tired all the time and could not do my housework. My eyes were dull, my tongue was coated and I did not want to eat. A neighbor told mother about Lydia E. Pinkham's Vegetable Compound. I began taking it and now I am hungry all the time. I sleep well, my nerves are good and I have told lots of friends how the Vegetable Compound has helped me. I have also used Lydia E. Pinkham's Sanative Wash and I feel lots better. I will be glad to answer any letters."—*Mrs. H. E. Winters, 827 S. Willow St., Faribault, Minnesota.*

One of the big fire trucks returning to the hall this morning after a practice run, broke through one of the planks of the platform in front of the fire station and it was about an hour before it was freed. No damage was done to the machine.

The regular monthly meeting of the board of the Prince Rupert General Hospital took place last evening in the hospital, business being largely of a routine nature. Those present: James H. Thompson, president; Ald. S. D. Macdonald, Alex McRae, Ald. W. M. Brown, R. E. Benson, G. P. Tinker and G. V. Wilkinson, directors; Miss Jean Harrison, lady superintendent, and H. W. Birch, managing secretary.

The hospital board decided last night to communicate with Ingram & Bell, hospital supply firm, that it did not feel liable for the payment of the sum of $21.86, being duty in connection with new sterilizing equipment recently supplied the hospital. In its first letter, the firm quoted a price f.o.b. Erie, Pa., duty free. Later the firm had to pay the $21.86 duty on part of the equipment and then sought to collect from the hospital.
