tion over the last few years, the growth of hospital insurance schemes and the increased amount of spending money available to many Ontario residents has put hospitals within the reach of many who had previously been unable to afford them.

Health department officials also note an increased tendency on the part of physicians to put sick persons in hospital rather than to treat them in their homes.

Brownwoods Down Co-ops

League Leaders Off Color Last Night—Golds in High Form

Brownwoods scored an easy 63 to 52 win last night over Co-Ops who have already inched the season's Senior Basketball League leadership. It was an off night for Co-Ops whose defence was foiled time after time by the shoemen. Red Spring and Art Olsen, scoring 18 and 16 respectively, set up many plays which, with fast breaking, put and kept Brownwoods well ahead. But Don Scherk, while his teammates may have been off color, played an exceptionally good game himself and was high man for the night with nineteen points.

In the Intermediate League Hi-Golds looked like their old selves as they overwhelmed the Thunderbirds 75 to 34. The Golds, working effectively as a team, played an effective fast-breaking game and wore the Thunderbirds down. Dudoward was high man with nineteen points. Be it said in fairness, however, that the Thunderbirds played only six men. Worn out, they were outscored 26 to 5 by the Golds in the final period. McChesney, Ratchford and Morrison were high men for the Golds with 17, 15 and 12 respectively. Simonsen was effective in the pivot spot.

Rupert Hotel had an easy time winning another game from Cook's Jewelers 29 to 10. It was an off-night for the Jewelers from the shooting standpoint.

FOULS AND FREES

Senior referees Comadina and Dominato called only eight personal fouls on the winners and seven on the losers. Brownwoods made five of nine free shots while Co-Ops succeeded in six of nine attempts.

In the Intermediate League Referees Teng and Davidson called ten fouls on Thunderbirds and fifteen on the winning Hi-Golds. The losers made eight out of nineteen free attempts and Hi-Gold succeeded in getting nine out of 21 gift shots.

Matthews and Sather called four fouls on the losers and four on Rupert Hotel in the Junior League. Cooks made none of their foul shots while the winners succeeded in only one out of six attempts.

Individual scores:

Senior

Brownwoods—Lavigne 5, Pierce 10, Olsen 16, Thompson 14, Spring 18, Ratchford, McChesney. Total 63.

COURTESY REPAID

NIAGARA FALLS, Ont. (CP)—A local hotel discovered an oversight and mailed a cheque for $1.10 to a New Jersey doctor who had not been given a premium on his United States currency. Back came the cheque with an additional $3.90, a total of $5 for charity.

THIRD STRAIGHT—Suzanne Morrow, of Toronto, 20, successfully defended her title as Canada's senior figure-skating champion in Vancouver to take her third straight title. She will compete in the winter Olympics next year. (CP PHOTO)

Women Motorists Are Deemed Best

MONTREAL (CP) — "Women are much better drivers than men."

This statment is bound to bring forth howls of protest from every male who ever sat behind a steering wheel, but according to police statistics it is the gospel truth.

Says Montreal traffic inspector Armand Girard who made the statement, "The last time I said this in public I was jumped on from all sides They even accused me of trying to make a hit with the ladies."

Although there are fewer women drivers in the city than men their percentage of accidents and traffic infractions is still lower on a percentage basis, Insp. Girard declared.

For explanation, he pointed out that women, on the whole, obey traffic regulations, are more courteous drivers and take better care of their autos.

The men on the other hand are always willing to "take a chance." They will take a chance on parking under a "no parking" sign where a woman would search for a proper place to park her car.

They take a chance on speeding and cutting in on other cars in traffic, things a woman would be afraid to do, Mr. Girard said.

"The men rely too much on their own ability to drive," Insp. Girard declared. Women are more nervous but nervousness in a driver is a good thing if it stops them from taking chances that may lead to accidents.

25 YEARS AGO

The whole great empire of the north contributes to the prosperity of the city of Prince Rupert, according to a special article in the Vancouver Sunday Province written by H. F. Pullen, editor of the Daily News. "Prince Rupert is just getting a start as a seaport," says the article. The population is placed at about 7000.

R. E. Benson, local photographer, has sent fine pictures of the new local grain elevator here to Prime Minister W. L. Mackenzie King and members of the government. In an accompanying letter, Mr. Benson is enthusiastic about the possibilities of the use of the port of Prince Rupert with its fine harbor.

James Bacon has started demolishing his fish smoking plant on the government wharf to make way for the fisheries experimental station building which is to be erected there. Mr. Bacon will be provided with accommodation in the new building.

10 YEARS AGO

February 21, 1941

At the annual general meeting of the Liberal Association, addressed by Hon. T. D. Pattullo, MLA for Prince Rupert, George Mitchell was elected president. Vice-proxies were C. C. Mills and J. A. Lindsay. Arthur Brooksbank was secretary, and Jack Judge, treasurer. Mr. Pattullo spoke of the hopes for pulp and paper mills at Prince Rupert, Terrace and Prince George.

A wrestling match between Jack McLaughlin of Vancouver, former Canadian champion, and Tarzan Reynolds of Toronto is being negotiated by Doug Frizzell and Bert Morgan.

With reduced offers from 50 cents to 30 cents per pound for halibut livers, local halibut boat operators are considering the building of their own processing plant.

Inspector of Schools Alex Turnbull asked the Parent-Teacher's Association to be receptive to modern ideas which he said embrace the new report cards.

SPORT SHOTS

If you think you know how to hook on a worm, David V. Reddick thinks you don't. In "Fishing Is a Cinch" this Toronto sportsman who has fished the waters of Ontario and Quebec for 25 years describes in detail the fine art of affixing a squirming worm to a hook in such fashion that it will attract—and catch—a fish.

He says: "Pierce the worm only twice with your finely wrough long-shank hook—below the head and above the tail—leaving a long hemstitch loop in the centre. Use gut or a snell." He compares this recommended method with that of the fishermen who plunks in a half-dead worm stuffed on an over-size hook followed by a chunk of lead and a length of cuttyhunk for line."

The book is replete with hints for the fisherman, complete to the proper method of cleaning and cooking the fish once they are caught. It also is jam-packed with anecdotes from Mr. Reddick's years of pursuing the trout, the bass, the pike—almost every kind of fresh-water game fish—in Canada's inland waters. He has one basic precept: fish fine. He define this as using a light line, small ... weight—or at most ... a weight.
