# REPORT ON RED CROSS

**Terrace Delegate Tells of Attending Recent Convention**

TERRACE, April 1:—A general meeting of the Terrace Red Cross was held in the Blue Room of the Terrace Hotel last Tuesday night at which Mrs. Will Robinson gave a report of the convention recently held in Vancouver.

The ocmmissioner, F. W. Tuffrey, said that steady progress had been made in all divisional services and branches and that every request from military, naval and air force units and hospitals in this province had been met.

Dr. D. A. Lamont gave a very interesting account of the Blood Donor Clinic work. A total of 1203 donations have been received and shipped to date and, as soon as additional technical equipment was available, it is expected to step this service up to 200 per week.

The Red Cross, through the food conservation committee, shipped to Britain for the victims of bombing raids, approximately 52 tons of jam, fruits processed in syrup and honey, more than seven times as much as was shipped in 1940, the first year of the food conservation project. The estimated cost of all canned goods received in the warehouse is about $14,000.

The Junior Red Cross had practically doubled its membership at the close of the 1941 school year. In 1941 the Juniors of British Columbia raised and sent in $3,646 for the Junior's Red Cross Crippled Children's Fund. In addition to this the Juniors also raiseed a total of $10,468.

During the year the Red Cross have continued to operate hospitals at Bamfield, Cecil Lake, Zeballos and McBride and a nursing service at Pemberton. The Zeballos Hospital, which was constructed and opened by the division in 1938, was taken over by the community at the beginning of this year, it being felt that the community was now sufficiently large to take over the operation of its own hospital.

The Provincial President, G. C. Derby, wished to express very sincere appreciation to the press and the radio for their splendid assistance during the year. The newspapers of British Columbia have donated space to the value of approximately $50,583. In addition to this the papers had spent hundreds of dollars on illustrations.

The prisoner-of-war parcels are being sent overseas at the rate of 40,000 per week. Recent events would point to the rapid extension of this particular service, and it is felt that the people of Canada through the National Red Cross, will shoulder the additional burden that will fall upon the Red Cross Societies of the Empire.

# Honors For Mr. Derry

**Presentations Made Yesterday Afternoon At Booth Memorial School By Teachers And Pupils**

The teachers and the students' council of Booth Memorial High School met in the dining room of the school yesterday afternoon to say farewell to W. H. Derry who, after about twenty years' service in the schools, is retiring on superannuation.

The principal, W. W. C. O'Neill, on behalf of the teachers and Students' Council, on behalf of the many kindly services which he always willingly rendered and then presented him with a suitable gift.

William Bond, president of the Students' Council, o nbehalf of the students, also spoke appreciatively of Mr. Derry's helpfulness and presented him with a suitably engraved Ronson lighter.

Refreshments were served in charge of Miss Young and Miss McDiarmid with junior students serving.

# STILL TIED FOR LEAD

*Reddy Kilowatt*
SOLVE YOUR COOKING PROBLEMS

There is really no cooking problem when you use electricity. You simply snap the switch and Reddy Kilowatt is on the job instantly with exactly the amount of heat you require. Electric cooking saves food too, because meats shrink less and retain more of their natural juices when cooked with steady, even electric heat—the flameless way.

*REDDY SAYS:*
"Cook your Easter ham electrically, to be sure of the full, rich flavour that will make the family's mouth water."
