AN OPEN MESSAGE TO DEPOSITORS of the BANK OF MONTREAL

In this time of national emergency our country is making demands of its citizens such as we have never known before. And rightly, for we have never been faced with a crisis such as this war has brought to our doorsteps.

You — our depositors — have responded loyally in many ways, and we, at the Bank of Montreal, take particular pride in the splendid way you have bought Victory Bonds. We take pride, too, in the record of service of this Bank to its customers and to Canada. For a period of over 125 years — which has embraced the troublous times of eight wars — our Bank has continued on its steady course, always confident that Canada would win through to a future that would far outshine its record of the past. This faith has always been justified . . . it is still as strong as ever.

Today, in this time of national crisis, we appeal to you to support the nation's war effort by drawing on your savings and earnings to the limit of your capacity to buy Victory Bonds. We shall be glad to place them in safekeeping for you at a very small charge. If you must have cash at any time, Victory Bonds are always acceptable as security for a bank loan and the arrangements are simple and prompt.

Your country needs your help NOW through your support of the Fourth Victory Loan.
