LOVE AND ESPIONAGE

Suspense-Packed Spy Picture Has New York Locale.

Modern New York City is the scene of a ruthless, deadly matching of wits and courage between one American and many Nazi agents in "The Fallen Sparrow", film thriller starring Maureen O'hara and John Garfield which comes to the Capitol theatre this Friday and Saturday.

The action pictured is the aftermath of a young American's adventures in the Spanish civil war, and subsequent imprisonment and torture by Nazis, who fail to pry a secret from him by direct means. The New York action represents their resort to even more terrifying, but subtler methods.

Partly by making hard-boiled love to Miss O.Hara and two other beautiful women, Martha O'Driscoll and Patricia Morison, Garfield is finally in a position to outwit his enemies and avenge ruthlessly his own wrongs and the murder of two of his friends.
