Every Veteran

. . . should answer these questions:

"What is MOST important in my future?" SECURITY, perhaps you would say? You have *won* the right to *plan your future!* Plan it with life insurance . . . the strongest force to assure *continuation of your present security* . . . for yourself . . . for your loved ones . . . in the years ahead!

"Does it matter WHICH life insurance company I choose?" Yes! Life insurance companies are much alike as to policies and rates, but actual long-term results vary widely. We invite you to compare The Mutual Life of Canada's record with that of any other company.

Evidence of the satisfaction of our policyholders is furnished by the fact that whole families and succeeding generations have entrusted their life insurance programs exclusively to The Mutual Life of Canada, and each year approximately 35% of its new business comes from policyholders. Ask your Mutual Life representative to explain the special features of this Company.
