NEW HAZELTON

After spending ten days scouring the interior country in vain search for a moose, Sam Kirkaldy and M. Dubueau of Terrace called in on New Hazelton Wednesday morning homeward bound. They were as far east as Ootsa Lake.

WEDDING AT OOTSA LAKE

Popular Couple Make Life Contract At Wistaria

BURNS LAKE—A matrimonial alliance of great interest took place at the Wistaria United Church when Rev. A. W. Atkinson of St. Joseph's Anglican Church of Burns Lake, officiated.

The charming bride was Miss Mildred Elizabeth Blackwell, the daughter of Mr. and Mrs. Ed. Blackwell of the Sunnyside Ranch, one of the pioneer stock ranches of the Ootsa Lake area. The groom, William Whitewater Durban, son of Mr. and Mrs. H. A. Durban, of Grassy Plains, the family being well known in Bridge River and throughout the Lilloet district.

As bridesmaid, Miss Lorna Durban was entrancing and, with the groomsman, Gordon Earl of Newgate in the Cranbrook district, completed a charming couple.

The bride was gowned in white taffeta, carrying a bouquet of stocks, babies' breath and fern and wearing a full-length veil with a tiara of white carnations studded with brilliants.

The bridesmaid chose a full-length gown of rose taffeta and carried a bouquet, twin to that of the bride.

Following the wedding, a reception was held at the commodious Blackwell farm-house which has housed a thousand guests since the first log-cabin was built before the steel of the old G.T.P. was connected. With Mrs. Blackwell and a host of Wistaria ladies assisting, service to a number of guests who overflowed the big dining room and kitchen, was continuous.

Friends of the young couple came from every part of the central interior and from the most remote parts of the Lakes District to wish them a long life of united prosperity and happiness.

The reception was decidely a musical event, the talent of the Lakes being accustomed to end the evening at the hospitable homes of the Blackwell's or Durban's. Song after song was sung by the local boys who accompanied themselves on guitar, banjo and violin. Not to be outdone, Verne Bennett of Uncha sang a sympathetic song entitled "Alimony" which brought forth such vociferous applause that he was compelled to respond with "I'm No Longer Lonesome." This aroused father Blackwell and from his antiquated repertoire he dug up an old song "Pyjamas," a theme song of decided merit.

The dance in the evening brought one of the greatest crowds which ever graced the Wistaria Dance Hall. Fine music was continuous and dancing had to be in relays as the crowd was too large for the floor.

A light snow fall during the night covered the beautiful mountains of Tweedsmuir Park in a cloak of pearl white tinted with hose pink when touched by the rising sun as the dancers were dispersing.

Engineers Ponder Destructive Jet

LYMPNE, Kent, England (AP)—Apparent ability of a peculiar acoustic property of jet aircraft motors to break glass and even marble has indicated future engineering problems at an airport near here. A de Haviland Vampire jet machine preparing to take off had its jet orifice pointed toward an adjacent house. When the plane had gone, the householder found the glass of two pictures had been broken and a solid marble clock split. The explanation advanced by engineering experts was that the engine note somehow caused the damage.

N.Z. APPOINTS TRADE ENVOYS

AUCKLAND, N.Z. (AP)—New Zealand has decided to appoint trade commissioners in New York, Montreal, Sydney and Melbourne. Officials carrying out these duties have in the past had tourist and other functions to attend to in addition, but will in future be able to concentrate solely on trade and industrial matters. Senior trade commissioner in North America will be at New York, with a commissioner working in conjunction with him at Montreal. The Montreal position has been filled by J. A. Malcolm, who was New Zealand supply liaison officer at Melbourne. He is already on his way to Montreal.

Junius, an English scholar, stated: "The liberty of the press is the palladium of all civil, political and religious rights of free men."

"Wait Oscar — I gotta better idea. Throw in this package of crisp, crunchy Grape-Nuts Flakes — 'n' if THAT comes out you better leave town"

"Now you're talkin', Joe! The little woman might toss my hat out again but she'll never part with a package of malty-rich, nut-sweet Post's Grape-Nuts Flakes. And while she's fondly caressing 'em, I'll sneak upstairs to bed."

"Sure enough these Grape-Nuts Flakes are wonderful smile bait. And they stick-to-your ribs, too — with carbohydrates for energy; proteins for muscle; phosphorus for teeth and bones; iron for the blood; and other food essentials."

"My wife knows that Grape-Nuts Flakes are doubly good because they're made of two grains—wheat and malted barley—cleverly blended, baked and then toasted for matchless flavor, delightful crispness, easy digestion. Those recipes on the package for cookies and other good things will catch her eye, too!"
