PARK WORK DISCUSSED

Board of Works and Parks Board to Confer Tonight—Delegation Speaks

After hearing a delegation consisting of William Millar and Fred Riffou, members of the Parks Board, who had certain suggestions to make as to development of McClymont Park, the city council last night engaged in a discussion of some length on the subject, it being finally agreed that the board of works and parks should have a conference tonight to settle definitely upon the course that is to be followed.

William Millar, the first speaker, suggested that it might be more advantageous if further improvements in the park be made on the dry hillside towards Eleventh Avenue rather than further down the creek as is at present being done.

City Engineer F. N. Good, pointing out that work was being carried out as relief, explained that it was being done at a level point at a minimum of cost. Extension of playground facilities was considered of more importance than the scenic effect at this time.

Fred Riffou supported the suggestion of Mr. Millar that improvements should be made instead on the hillside toward Eleventh Avenue. There was about three-quarters of an acre here which was already stumped and which he thought could be made into a playground at a cost of no more than $200.

After Ald. Macdonald had been assured that there would be no interruption of the relief work that was being carried on, it was agreed that the board of works and parks board should confer to determine where the work could be most advantageously carried out.

Mrs. Howe Is Laid to Rest

Funeral Service Held This Afternoon For Respected Local Lady Who Died Last Week

Many friends of deceased and sympathizers for the family attended at the chapel of the B. C. Undertakers this afternoon when the funeral service for the late Mrs. Grace Howe, wife of Joseph Howe of this city, who died last week in Vancouver, took place.

Rev. Canon W. F. Rushbrook conducted the service in a sympathetic manner and Mrs. J. S. Black presided at the organ. Hymns were "Lead Kindly Light" and "Abide With Me."

After the service, interment took place in Fairview Cemetery. Pallbearers were Frank Aldridge, Harry Smith, Ald. G. W. Rudderham, Chris Perry, F. E. Wermig and William Tattersal.

There were many beautiful floral offerings.

SCIATICA?

Here is a never-failing form of relief from sciatic pain:

BAYER

Take Aspirin tablets and you'll avoid needless suffering from sciatica—lumbago—and similar excruciating pains. They *do* relieve; they *don't* do any harm. Just make sure it is genuine.

NEW SEWER IS PLANNED

City Council Takes Steps to Give Facilities to Remainder of Section Five

The city council, on recommendation of the board of works, decided last night to take preliminary steps towards providing a sewer system at an estimated cost of $15,600, for the western portion of Section Five, which is not already served. All of this section is planned to be given sewer facilities with the exception of some houses on Summit Avenue and Comox Avenue according to present plans and it is possible that Summit Avenue may yet be also incorporated.

A local improvement initiative bylaw providing for the sewer was given its preliminary readings. Amendments may be made to the bylaw when it comes up for final reconsideration and adoption.

EMPLOYMENT INSURANCE

Workers' Unity League of Canada Asks Support For Bill

A letter from the Workers' Unity League of Canada asking support for a bill on unemployment insurance which it is proposed to present to the Dominion government this month was referred to the finance committee by the city council last night.

City Invited to Fire Convention

The city council last night referred to the utilities committee for report, a communication from J. A. Thomas, fire marshal for British Columbia, suggesting that the city should be represented by the fire chief and at least one member of the council at the annual convention on fire prevention and fighting to be held in Vancouver on May 27-29.

Make your response your utmost effort.

Campaign From April 25 to May 10.

ATLANTIC IS GREAT

Capitol Theatre is Showing One of Best Pictures in Long Time; Drama and Spectacle

Powerful drama and stunning spectacle make "Atlantic," the current feature at the Capitol Theatre, one of the most notable pictures that has been seen in many a day here. Those who saw the picture last night were greatly impressed with it. Human emotions are given great play in the film.

One of the outstanding features of the picture is that it is an English production, made in England with an all-British cast.

The picture is a stirring re-incarnation of the Titanic disaster which, by odd enough coincidence, occurred exactly 19 years ago tonight.

DISCOUNTS IMPOSSIBLE

Proposal of Ald. McCutcheon is Declared Contrary to Municipal Act

In the course of final reconsideration of the 1931 rate bylaw at last night's meeting of the city council, Ald. W. J. McCutcheon inquired if it would not be possible to give a discount for prompt payment of taxes instead of imposing penalties for tardy payment. The alderman thought this might have the effect of bringing the taxation money in more rapidly.

City Solicitor Jones explained that, under the Municipal Act, it was impossible to allow discounts as suggested, only penalties being provided for.

The rate bylaw providing a mill rate for the year of 52—24 mills, schools; 9 mills, general, and 19 mills, money debts—was given its final passage.

Jack Dempsey's Wife, Estelle Taylor, Coming

Estelle Taylor, against whom divorce proceedings have been started at Reno by her husband, Jack Dempsey, former world's heavyweight boxing champion, is one of the stars in the picture Cimarron which is coming to the Capitol Theatre this week-end. Dempsey's intention of instituting divorce proceedings against his beautiful wife on the grounds of incompatibility was announced yesterday.

PREVENTS THAT SINKING FEELING

"How do I keep young?"

"Oh, I learned that secret when I discovered Shredded Wheat. It's the whole wheat, you know, and has iron for making red blood and all the elements for building healthy tissue and bone. And by the way, it's ready-cooked and ever so easy to serve for breakfast or lunch. I just pour milk or cream over the biscuits. On cold mornings I heat the milk—it makes a most delicious hot cereal, and with fruit it's a treat at any time."
