SOFTBALL WAS DRAW

Exciting 11-Innings Game Ends in 16-All Score

In the C.N.R.A. League Softbal game last night, the Roundhouse and the Biological Station battled to a 16-16 draw, after eleven innings of play.

The biological Station got away to a good start, scoring seven runs in the first two innings while the Roundhouse got nil, but in the first of the third, Horton started the scoring for the Roundhouse with a home run. From then on they increased their runs until at the end of the ninth, both teams had nine runs to their credit, which necessitated extra play. In the tenth inning neither team scored. By this time it was getting rather dark and had started to rain and in the eleventh inning the Roundhouse, who were first to bat brought in seven runs, which looked as if they had cinched the game, but when the Biological Station came to bat, they also scored seven runs, thereby tieing the score, 16-16. It was too dark to continue, and it will be necessary to play this game over.

Batteries were Coombs and Skattebol for the Roundhouse, Brockelsby and Black for the Biological Station.

The next league game will be next Tuesday between the R.C.N.V.R. and the Station. A game will be played tonight weather permitting between the C.N.R.A. and Prince Rupert East.

CONTRACT BRIDGE IS IN FULL VOGUE

NEW YORK, July 11:—Auction bridge is definitely "out" in the more advanced bridge playing circles. The American Bridge League announces that, after July 20, only contract bridge will be played so far as it is concerned.

SPORT CHAT

A setting which less than a century ago sheltered a straggling Indian encampment is serving as the battleground for the 1931 Canadian Open Golf championship this week. Mississauga Golf and Country Club, selected as the venue this year of the Dominion's major golf classic, boasts of this historical association. For three days, ending today, the heavy guns of the battery of international stars, striving for the title and the glory it brings, have been resounding through the rolling fairways of this garden course, where once Braves were wont to assemble for tribal pow-wows and probably an occasional war council. And where the warning cry of the Brave was heard in the past, the more modernized "fore" has taken its place.

* * * *

Nestling in a valley where the meandering Credit River flows, Mississauga offers more than a scenic treat. It is a stiff, but fair test of good golf, and as proof of this scrutinizing records reveals that only once before has par been lowered. This achievement is credited to Bob Cunningham, the club pro, who posted a score of 71, one stroke below perfect figures, in a professional tournament last year. The course abounds with natural as well as artificial hazards, but a player who can consistently propel his ball far and straight down the fairways, and possesses the finesse of accurately gauging distances around the greens, there are few pitfalls. Once off the line, however, there may be plenty of grief.

* * * *

Far from being over-bunkered, Mississauga none the less exacts a heavy penalty for erratic play. Wayward slices and hooks on many of the holes will find yawning traps, there are plenty of flanking woods along the fairways to explore and the inevitable rough. Around the greens a competitor can ill-afford to take too many liberties, for cunningly placed traps will take ample care of over-played or topped approaches to the pin. And then there is the winding Credit River, which serves as a natural, but distracting mental hazard at several points along the course.

Scoutmaster Is Honored

Third Prince Rupert Troop Recognizes P. C. Miller's Leadership

Instead of the regular drill of the Third Prince Rupert Troop of Boy Scouts, the meeting last evening in the hall of the First United Church took the form of a hot dog supper. Scout games were enjoyed until 9 o'clock when full justice was done to hot dogs and rolls.

The outstanding feature of the evening was the presentation of a gold thanks badge and a hat plume to Scoutmaster Percy C. Miller, in recognition of the splendid work that Mr. Miller has done during the four and a half years of the troop's organization. The presentation was made by Patrol Leader Walter Smith on behalf of the members of the troop. Mr. Miller, who was taken by surprise replied in a few words of thanks, thanking the boys for their thoughtfulness in remembering him, and hoped that he could continue to help them. Rev. A. Wilson also complimented the boys on their success in their work during the past years.

The announcement was made that a shower in aid of the summer camp will be held in the troop headquarters on Thursday evening, July 30 when any who wish to may donate food or camp equipment for use at the camp.

440 Yards—P. Edgecumbe (6), O. Vance (20), B. Williscroft (25).

880 Yards—R. Allen (10), A. Thompson (14), B. Bacon (18).

Any post entries will be started off scratch and full penalties will be given all offenders.

Meeting Held By Baseball Association

The executive of the Prince Rupert Baseball Association held a meeting in the City Hall last night with Ald. G. W. Rudderham, president, in the chair. The president, as delegate to the Dominion Day celebration, reported on the day's sports and stated that the financial result had been satisfactory, over $60 being realized for the association.

A delegation consisting of President Rudderham, Stan Moran and Secretary Frizzell was named to interview the Fair Board at a meeting on Monday evening to discuss plans for the holding of a baseball series during fair week.

It was decided to have banners painted to be fastened on cars indicating when games are to be played.

The protest of the Dominion Day game, which had been made by the Sons of Canada, was withdrawn when it came before the meeting.

The final game of the first half of the season will be played on Monday evening between Elks and Old Empress, with the second half commencing on Thursday evening between Sons of Canada and Old Empress. In the event of the Old Empress winning on Monday night, it will be necessary for one game to be played by them with the Sons of Canada to decide the winner of the half, as these two teams will have tied. The date of the play-off will be set later, if it is necessary.

The game on Thursday, July 23 between Elks and Old Empress will take the form of a benefit for Eddie Smith, second baseman of the Sons of Canada, who was hurt in the Ketchikan series on May 24 and has been unable to play since. He has now recovered, and will soon be seen on the line-up again. Tickets for 25c are being printed and will be distributed for the game.

It was also decided that in future, five dollars must accompany all protests, the money to be returned in the event of the protest being sustained.

REGIMENT COMEBACK

Defeated Merchants With a Vengeance in Football

7 to 1 Score

Spree of Goals Gave Soldiers Spectacular Victory

The Mobley Cup fixture last evening between the Merchants and the Regiment resulted in the biggest score of the season, the Regiment team winning by seven goals to one.

Playing with the hill in their favor the Regiment were the first to attack but Douglas cleared. Russell showed clever football and combined nicely with Amor but Thurber stopped them. Chenoski went close but Watson was safe. Lyons shot past and then Wilson drove too high. Albert Dickens went close and then from a corner he scored to give the Merchants the lead. Following a free kick taken by Edgecumbe Vink miskicked and left Norrington with an open goal and the teams were level. Regiment were attacking with DeJong ever giving his forwards many openings. Colussi forced a corner and Norrington scored direct from the kick with a beautiful shot. Amor and Russell made ground but Laidler saved. Dickens tried out Laidler but the goalie caught and cleared. Fong went close and Lyons again narrowly missed. Halftime found the Regiment leading by two goals to one.

The second half found the Merchants attacking but Wingham was safe and Thurber and Watson cleared. Then the Regiment forwards got working and made many dangerous breakaways combining neatly and working the ball in close. Colussi added two clever goals, Norrington scored and Fong made the total six. Albert Dickens tried out Laidler who also saved a free kick well taken by Currie. Hill was beaten by Norrington but Mitchell cleared and Vink caught a high one and threw it away. Russell fired a beauty but Laidler threw himself across the goal to save brilliantly at the expense of a corner. Currie headed just over and A. Dickens shot close twice. Norrington's intended centre went straight up the left wing but Wilson came across fast to get the ball, beat Mitchell and score with a well placed drive to make the total seven. Fong broke through but was high with his finishing shot and full time found the Regiment easy winners by seven goals to one.

Referee, W. Barton; linesmen, J. Kelly and A. Person.

Regiment — Laidler; Watson, Thurber; Edgecumbe, DeJong, Wingham; Wilson, Lyons, Fong, Colussi, Norrington.

Merchants—Vink; G. Mitchell, Douglas; Hill, Currie, S. Dickens, Amor, Russell, A. Dickens, McKay, Chenoski.

Large Crowd

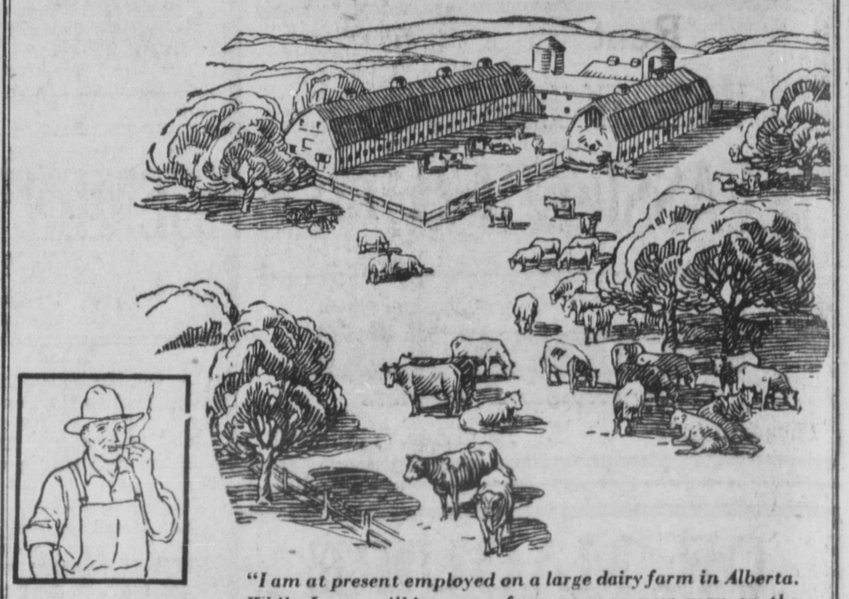
There was a big crowd in attendance who went away thoroughly satisfied with the game which was fast and interesting all the way through. The Regiment were full value for their win.

Laidler was in good form and his save from Russell's drive was the equal of anything ever seen on the ground. Watson was safe and clever while Thurber again impressed with his cool tackling and judicious kicking. Wingham though up against a clever wing held them in check and gave a fine display. DeJong turned in a splendid game and Edgecumbe completed a fine half-back line. Forward there was little to choose. Norrington with three goals was leading scorer but Colussi was probably the star. Both his goals were cleverly worked for and his shots well placed. Fong was fast and aggressive. He turns back too much but he was ever on the alert and showed lots of pluck. Lyons was a good inside man checking hard and sending many passes to both wings. Wilson's goal was a fine piece of opportunism as he crossed from the right wing to the outside left position and then scored.

Vink was to blame for the first goal but had little chance with any of the others as they all came from close in. Douglas and Mitchell found the Regiment forwards fast and were given no respite. Currie was clever and got through a lot of work as well as narrowly missing with a header from a corner and trying out Laidler with a well taken free. Hill was steady and S. Dickens' worked hard. Russell showed clever touches against his old team but found Wingham hard to best and Thurber another obstacle. Amor was fair and combined nicely with Russell. A. Dickens got the goal and had hard lines with other shots. McKay was clever but not very effective. Chenoski was dangerous in the first half but found it difficult to get past Edgecumbe.

The game was contested in a fine spirit and it was gratifying to find Sam Currie congratulating Wilson on the victory at the end of the game. It was certainly the Regiment's night and their victory was well deserved, and a popular one.

PIPE TESTED by a DAIRY FARMER



15c. and 20c. packages —also in ½-pound screw-top tins.

"I am at present employed on a large dairy farm in Alberta. While I was milking one of my cows, a new man on the farm passed by smoking a pipe. The odour of the tobacco was so fragrant that I asked him what kind he used. After finding out that it was Turret pipe tobacco, I decided to get a package. If it tasted as good as it smelled I was missing a great deal by not being a smoker . . . after smoking several packages, Turret pipe tobacco is my boon companion."

Turret pipe tobacco gives smokers what they want. Cool, fragrant and mellow—it's a man's smoke—and the reason is its quality.

Moose Dramatic Society Formed By Moose Lodge

An amateur Dramatic Society has been formed under the auspices of the local Moose Lodge and Ladies Mooseheart Legion Chapter.

At a preliminary meeting under the chairmanship of B. J. Bacon, held in the home of Mr. and Mrs. Percy Cameron on Friday evening, John Jeanes was appointed director of productions and N. S. Brewer, secretary-treasurer.

In the course of discussion it was decided to put on a play during the coming fall and considerable enthusiasm was displayed especially by the ladies.

Various points of interest including the play to be put on will be decided at the next meeting to be held in the Moose Hall.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.
