HOOP TALK

While Coach Frank Leahy of Notre Dame is keeping his fingers crossed and wondering how his charges are going to stop Blanchard and Davis in today's classic at Yankee Stadium, Neil Ross, coach of B.C. Packers in our own basketball league, is endeavoring to cook up a formation to stop 99 Taxi tonight at the Civic Centre. He very nearly came up with a win the last time his boys matched wits and ability with the so far unbeaten Taxi squad and may do just that tonight.

STARS ON ICE

By ED IGOE

Pete Backor, husky defenceman of the Pittsburgh Hornets in the American Hockey League, is comparatively new in the ranks of Professional hockey but is accustomed to receiving all-star honors. Pete, who stands six feet and weighs 185 pounds, hails from Ft. William, Ontario. He played with the Ft. William Sextet in 1938 and 1939 and then starred for the next five seasons with the St. Catherine's Senior team in the O.H.A. During his amateur days he was selected on the Toronto Star's All-Star Sextet in 1939, 1940 and 1941. During the off-season, when not busy working as a machinist or carpenter, Pete plays softball and was a member of the Canadian Legion Softball champions.

Fisher, Local Judge of the Supreme Court of British Columbia, I was on the 28th day of October, 1946, appointed Administrator of the Estate of Paul Brodin, who died on or about the 25th day of July 1946. All persons indebted to the said Estate are required to pay the amount of their indebtedness to me forthwith and all persons having claims against the said estate are required to file them with me properly verified on or before the 30th day of November, 1946, failing which distribution will be made having regard only to such claims of which I shall have been notified.

GYM CAPACITY NOW ABOUT 600

Prince Rupert Civic Centre Venue One of Most Commodious in B.C.

Seating for almost 600 spectators is available in the Civic Centre gym now that the new side balconies have been completed, according to Civic Centre Manager Don Forward who Friday was laying out the seating plan for the Prince Rupert-Ketchikan basketball games next week.

The new balconies, which contain two rows of seats along both side walls, will seat 222 spectators, 109 in the first row and 113 in the rear row. The front row side balcony seats have been numbered and will be reserved for the forthcoming intercity meet.

Of the two end balconies, the larger one at the north end which holds 180, has been set aside for students, while the smaller one at the south end is held for adult "rush" tickets. It has a capacity of 45.

Seats on the floor level, bordering the basketball court, also will be in the reserve category for the Ketchikan games. These will accommodate 125 spectators in addition to space for players and scoring officials.

"The only gym in the province with more seating space is the one at the University of British Columbia," Mr. Forward said with more than a hint of pride. "Of course there are arenas in southern- cities which have greater capacity but only one true gymnasium."

Should a boxing or wrestling card be held in the gym, the accommodation could be boosted to between 1,000 and 1,100 by putting seats all around the ring, Mr. Forward said.
