Notes on Victory Loan Progress in Prince Rupert

In order that the Booth Memorial High School student canvassers may make their quota, the Victory Loan Committee has turned over the sales of the Victory Loan Hut on Third Avenue on Saturday to the student canvassers. These young sales people will be in attendance at the Victory Loan Hut all day Saturday between 10 a.m. and 8 p.m. to sell Victory Bonds and do their part in putting Prince Rupert over the top.

The Victory Loan "V" Flag was presented to Billmor on Wednesday evening by Weldon McAfee. Divisional vice-chairman of the National War Finance Committee. E. R. Gordon, who conducted the whirlwind campaign, introduced Mr. McAfee who complimented the personnel upon their one hundred percent support to the Seventh Victory Loan. During the evening two separate shows were presented so that both shifts were able to enjoy some very interesting moving pictures. This is an outstanding achievement and the men of Billmor are to be congratulated.

A. Martinusen, owner and captain of the halibut boat Dovre B., has again invested in the future security of his children by buying Seventh Victory Loan Bonds. Following his usual custom Captain Martinusen again purchased bonds for each of his five children. This is the seventh loan that Captain Martinusen has purchased Victory Bonds for his children.

SOO-SUD NOTES

The minimum objective for Sault Ste. Marie in the Seventh Victoary Loan is $2,485,000. Already this is well on the way to be achieved.

The Selective Service is making a survey of industries in the Soo district employing over 100 persons with a view to estimating what may be available after the war in the way of employment. The Sault Ste. Marie Rehabilitation and Reconstruction Committee is cooperating.

Leading Seaman Ken Cartmill of the Canadian destroyer Haida and Able Seaman Eddie Miraud of the aircraft carrier Nabob were guests of the Sault Ste. Marie Kiwanis Club. They gave interesting stories of naval action.

At the annual meeting of the Sault Ste. Marie Boy Scouts' Association a long service medal was presented to the district secretary-treasurer, Francis L. Short, in acknowledgement of his fine work during many years.

SMITHERS IS OVER QUOTA

SMITHERS, Nov. 3—Without an exact computation of Victory Loan subscriptions to date it is estimated that Smithers has already exceeded its quota of $40,000 by at least 10 percent, with a number of subscriptions yet to come in.

The C.N.R. employees at this point and throughout this area have done exceedinly well and stand high in their subscriptions for the Western Region.

WE HAVE come to the crucial stage of this war. There can be no turning back. It is essential we give our forces the backing that will help them march right in to the last enemy stronghold, to claim a complete, lasting victory.

It is up to each of us to do our utmost, without delay, to help our men achieve the goal we have all dreamed of now so long — unconditional surrender.

It's time to act! Every bond we buy in this Seventh Victory Loan hastens the day when the boys come home! That is why it is vital each of us buy one more bond than we bought before.
