An application from W. N. R. Armstrong to rent the city's air compressor and jack hammer for a couple of days came up at the meeting of the city council Monday night, Mayor Daggett asking for an expression of policy on the renting out of city equipment. Ald. Rudderham and Ald Elliot questioned the advisability of renting out city equipment unless it was attended by a city employee as a safeguard of proper use. City Engineer G. S Hanes agreed with such a provision. The matter was referred to the board of works.

Moose Women Enjoy Social

Following their regular monthly meeting in the Oddfellows' Hall last night, at which routine business claimed the attention of the members, Women of the Moose, Lodge 211, were treated to a very enjoyable social entertainment by members of the Loyal Orange Lodge.

The entertainment opened with three beautiful piano solos by Sergeant Earl Collins R.C.A.F., and was followed by a series of comic games which were played by all, being particularly enjoyed by the ladies.

At midnight refreshments were served by members of the men's lodge and, folowing the refreshment period, dancing was enjoyed until 1:30.

Mrs. W. H. Tolin, senior Regent, was in the chair at the meeting.

Terrace

An army show was put on Tuesday night to which the general public of Terrace was invited. A regimental band provided an excellent program of music which was much enjoyed by the large number of citizens who attended. Although the drill hall in which the concert was staged is a huge building, all available seating accomodation was filled.

Continuous rains have caused almost total disappearance of snow which for the past few weeks has covered the landscape although the incessant rain is causing inconvenience by converting the roads into streaks of mud, people generally prefer this type of weather to the cold winds and blizzards which January usually brings.

The municiapl office has been undergoing repairs and improvements thanks to the work of the air force police, who are sharing the building with the Village municipality. It is the hope of the Village Commissioners that funds will in the not distant future enable them to build a municipal office upon village property.

There has been a change in the personnel of the Board of Commissioners of the Village W. E. Simth has resigned owing to pressure of other business and T. H. Walsh has been appointed to assume the office for the unexpired portion of the term. Mr. Walsh comes to the office as Commissioner with experience, having served in a similar capacity some years ago in Terrace.
