ARE YOU READY FOR VACATION?

Are you going to enjoy every minute of sunshine or are you to go around with eyes half closed?

Why not have your eyes examined by G. F. Davey, Registered Optometrist in charge of the Optical Dept. of Max Heilbroner, Jeweler, and if necessary have your lenses made in one of the light filtering glasses. Then you will be able to enjoy every bit of sunshine and your eyes will have a chance to enjoy the vacation too.

WORKERS' POSITION

Editor, Daily News:—

The causes leading up to the discontinuance of work are these:

After repeated petitions on the part of the unemployed in town for clothes, the city council has done absolutely nothing to deal with the situation in a proper manner.

The Labor aldermen must be familiar with the situation and it must be realized by all that, after four months' work, the clothes of the men must need replacing.

The men cannot work forever with the few clothes they bought in good times, so this action is necessary.

Thanking you, Mr. Editor, for your valuable space.

Vancouver Province Has Facetious Editorial on Political Situation In British Columbia

In these anxious days of now, if you note the news from Victoria, Stout Tolfie of Saanich, and stout Pattullo of Prince Rupert—if we may put it that way with the greatest respect—are holding their bridges right enough, and they are both equally sure that they are holding them for the state.
