THE NEED IS GREATER

For total victory he fights a total war. For nothing less will he lay down his arms. For your sake he's willing to gamble on coming through alive. Whether he does or not is decidedly your affair . . .

The imminence of victory has climaxed the responsibilities of the home front. Canada's borrowing needs today are greater, not less. To see the uniformed services get all they need to win with minimum losses, is still our biggest job.

NOW is the hour to buy Victory Bonds—one more than before!

Widower Laments Social Security

LONDON, Oct. 31 (AP) — You can't please all the people all the time—and Britain's new social security plan is no exception. In a letter to a London paper a widower "on the shady side of 60," told how he was all set to marry a young widow who "didn't pretend to be violently in love" but was marrying him for $2,500 cash and $20 weekly. "But now," complains the man, "along comes the social security plan—if worst comes to worst she would never starve—so the marriage is off."

BLOOMS GO TO VICTORIA

"Roses from Prince Rupert to Victoria" may sound in reverse but it is being done. Mrs. C. J. Norrington of Seal Cove is able this week to pick a beautiful bouquet from her garden to present to a friend who is returning to Victoria after a visit here. The exceedingly mild fall here is promoting unusual growth in many Prince Rupert gardens including some of the roses which usually bloom but once repeating.

The weeds are also thriving and dandelions are to be seen in unwelcome second bloom on some lawns.

350 New Names On Voters' List; May Total 2,000

About 350 new names were added to the 1944 civic voters' list up to last night and it is expected at the city hall that the number will reach 375 before the registration period closes at 5 o'clock tonight.

Yesterday 50 citizens placed their names on the list, half of them taking advantage of the two hour period from 7 to 9 o'clock in the evening when the City Clerk's office was open for the purpose.

A deepening recognition of their responsibilities as indicated by the fact that 16 people have paid their $5 poll tax in order to have their names placed on the voters' list.

On the basis of the increase of registrations, it is estimated that there will be about 2,000 names on this year's voters' list.
