CONFIDENTIALLY YOURS -by Byrne Hope Sanders

MONTREAL, May 5th—Time to plant and to plan. Planting wisely and planning wisely are both important at this time of year. For intime to think of protecting your valuables and important papers while you're on vacation or off on week-end jaunts? You know there will be many times when you will be away from home. Best way to do this is to rent a BANK OF MONTREAL Safety Deposit Box. I do! It costs so little—less than two cents

a day—and it's worth every penny. Now every time I lock my door I do so without worry! All my most precious possessions are safe against fire and theft. See your neighbourhood branch of "My Bank" today: . . peace-of-mind was never bought for less.

HERE'S A SANDWICH-MAKING TRICK that will save you time and trouble . . . for easy spreading, always keep some of your BLUE BONNET MARGARINE in a covered dish, unrefrigerated. Then spread it generously on party or luncheon sandwiches. Both your guests and your family will love Blue Bonnet's sunny-sweet flavor on sandwiches or in cooking. That's because it's made from the finest

handy—the more you use it, the more you'll agree that light and lively Miracle Whip is the good taste in all the best-tasting salads and sandwiches. And remember! . . Miracle Whip is always fresh when you buy it because it's so popular it hasn't even a chance to grow stale on your grocer's shelves.

LUCKY THE DOG whose master has discovered the new full-course meal for meat-loving dogs—the dog food that beats meat for nourishment! I'm writing of Dr. Ballard's BURGERBITS, the dog food with appetite appeal plus! He'll enjoy every bite of his Burgerbits meal, appetized with rich pan drippings. DE BALLABUS He'll get twice the food value of prime beef-at half the cost to you! Dr. Ballard's Burgerbits never go mushy or stick to the dish . . . they provide all the nourishment your dog
